

LINCOLN'S BIRTHDAY HONORED

In Nearly All the Large Cities of the Country

A Mass Meeting in New York Will Discuss the Industrial Welfare of the Negro

The birthday of Abraham Lincoln is universally observed by the American people, and coming to be more regarded as a real national memorial day.

Observed in the South. Baltimore, Md., Feb. 12.—The Union League of Maryland celebrates the anniversary of the birth of Abraham Lincoln this evening with a banquet, for which elaborate arrangements have been completed.

Lincoln Day at Chicago. Chicago, Ill., Feb. 12.—Lincoln's birthday was observed in Chicago as a general holiday. Banks, the board of trade, the stock exchange and other public institutions were closed and appropriate exercises were held in the public schools.

Celebration at Springfield. Springfield, Ill., Feb. 12.—The home city and last resting place of Abraham Lincoln observed the 95th anniversary of his birth today by the closing of public offices and the holding of memorial exercises under the auspices of the various veteran organizations, and other patriotic societies.

Philadelphia Observes the Day. Philadelphia, Feb. 12.—All the big business houses, public buildings and many private residences throughout the city were appropriately decorated today in observance of the anniversary of Lincoln's birthday.

The Excitement Not Over. The rush to the drug store still continues and daily scores of people call for a bottle of Kemp's Balsam for the Throat and Lungs for the cure of Coughs, Colds, Asthma, Bronchitis and Consumption.

An Aurora Estate. Mrs. Sarah Kell, of Aurora, yesterday afternoon filed a petition in the county court, for the appointment of Jacob G. Miller as administrator of the estate of the late Jacob Gleay, who died in Aurora February 1st.

TO KILL THE DANDRUFF GERM. Is the Only Possible Way of Having An Effective Cure.

If you see a woman of a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything, in nearly every case where women and men have thin brittle hair, they owe it to dandruff.

SCOTT'S EMULSION makes pale, thin children fat and chubby. Overcomes wasting tendencies and brings back rosy cheeks and bright eyes.

It's surprising how quickly children respond to Scott's Emulsion. It contains just the element of nourishment their little bodies need. They thrive on it.

Even a few drops in the baby's bottle have a noticeable effect for good. Nothing better than Scott's Emulsion for growing children.

We'll send you a sample free upon request. SCOTT & BOWNE, 409 Pearl Street, New York.

X-RADIUMS

Next to Linn county, Marion county has about the lowest tax levy in the state—we are four mills to their three.

Say, Mr. Gravel Road, don't, and for heaven's sake take a ride over that Liberty broken rock road. You'll be converted.

The Drain Nonpareil has a voting contest as to who is the most popular lady in that community. If that lady now was only the lucky guesser for The Journal Diamond!

Do you notice how suburban real estate gets active the minute there is a let-up in the fight on the Greater Salem charter? It is now believed that there is no one who will put up money to carry that fight into the courts.

Baker City is building streets, laying out sewers and annexing territory. Baker City is not going to sleep, to say the least.

What's the matter with Salem real estate? Moving off with something like a rush.

The Journal is a wide-open newspaper—teaching rich and poor alike—and the poor especially, as they can neither hire nor own newspapers.

Astoria was hit hard by an electric storm the other night.

"One Night in June" ought to have a big house at this season of the year.

Can this be possible in a town without a licensed saloon? The Woodburn Independent prints this about that town: "Liquors are being sold and gambling is going on in many places, and our Sabbath has been and is being shamefully desecrated."

The Journal office is not "under arms," nor barricaded. But it may be.

The Salem Young Men's Republican Club, at last accounts, had not secured permission from the proper authorities to organize a club at Gervais.

The Journal was alone in saying there would be a Russian-Japan war.

When County Commissioner A. C. Coolidge, of Silverton, decided in favor of an \$150,000 court house, he was almost hung in effigy. The mobsters roared and kicked. Today the court house is too small.

Negro Industrial Education. New York, Feb. 12.—The discussion of negro industrial education in the South, as represented by the Hampton Institute, which takes place at a public meeting at Madison Square Garden this evening, will, it is expected, be one of the most interesting discussions of the sort ever heard in New York. Andrew Carnegie will preside, and addresses will be made by Booker T. Washington, of Tuskegee; President Eliot, of Harvard, and Dr. H. B. Frissell, principal of Hampton Institute.

Making Good. The expression "make good," product of the American habit of creating short and telling idioms, is beginning to comprise the whole story of success in any endeavor, says the St. Louis Republic. Whether it be an appeal to public support, whether it be in the smaller relation of services rendered to an employer, the American judgment is becoming unusually keen in deciding whether, on the whole, a man "makes good." It is not precisely a question of this or that shortcoming. It is chiefly a question of a spontaneous judgment. There are no ifs or buts connected with the matter. The man "makes good" or he doesn't "make good," and that's an end to discussion. Anybody can see whether he does or not. Excuses don't go.

MAKE PEACE WITH YOUR STOMACH

You Are Certain to Lose if You Attempt the Use of Force and Violence.

You cannot force your stomach to do work that it is unable and unwilling to do. It has been tried time and time again with always the same result. The stomach is a good and faithful servant, but when pushed beyond the limit it rebels.

Stuart's Dyspepsia Tablets are the only perfect substitute to take up and carry on the work of tired, worn-out stomachs. They are natural and easy in their work. They contain all of the essential elements that make up the gastric juice and other digestive fluids and will digest any food that a strong healthy stomach will, and do it in the same time and in the same way.

Stuart's Dyspepsia Tablets, by thus relieving the stomach of its work, enable that organ to rest and recuperate and regain its health and strength. The process is perfectly natural and plain. Nature will heal the stomach just as she heals a wound or a broken limb, if she is not interfered with and is permitted to do her work in her own way.

Stuart's Dyspepsia Tablets are for sale by drug stores everywhere at 50 cents a box and if you are afflicted with dyspepsia, one box will make you feel 50 times better. You will forget you have a stomach and rejoice in the forgetfulness. No druggist would be so shortsighted as to try to get along without Stuart's Dyspepsia Tablets, for they are so popular and are so well known for the good they have done and the happiness they have caused that any druggist caught without them would lose the confidence of his customer and be regarded as below the standard. His business would suffer as a result and his patrons would go to other stores and buy their other drugs there as well as their Stuart's Dyspepsia Tablets.
