## SALEM SOCIAL EVENTS NOTE

### Capital City People Passing a Merry Winter in Many Ways

One of the great social events of the season is the reception and dancing party given this evening by Mrs. Calbreath and Mrs. Griffith. Several hundred invitations are issued.

**The Lincoln Anniversary.**  
Sedwick Relief Corps gave a fine literary and musical entertainment at the Presbyterian church on Friday evening in honor of Abraham Lincoln's birthday. The songs and recitations were all of a highly patriotic order, and the recitation by Miss Echo Deart and John Garland would have honored a college of dramatic art and eloquence. The orator of the evening was considerably of a failure, and fell down completely in trying to tell some of the well-known Lincoln stories. The committee would have certainly done better to have secured some one else.

**Valentine Social.**  
Monday evening Rebecca lodge, No. the initiation and the regular session

I will give a valentine social, after of the lodge. The Odd Fellows will join with the ladies, and spend a social evening together. It is hoped there will be a large attendance.

**Alice R. Society Entertains.**  
The members of the Alice R. society gave a delightful valentine party to a number of their friends last evening at the East Salem school. The evening was spent very pleasantly in playing "Pit," "Flinch" and "Crokinole." One of the features of the evening was the "valentine box," in which the young people sent "unspeakable tokens" to each other. Miss Marguerite Wilson presided at the punch bowl and served in a most charming manner. Misses Margaret McGee, Edith Ragan, Leah Belle, Perry Riegleman and Ralph Moore assisted in serving the refreshments. It was not until a late hour that the merry crowd returned to their homes. Besides the

30 members present, there were 15 invited guests.

**Valentine Party.**  
The Misses Smith entertained a number of their friends last evening at their home in West Salem at a valentine party, in honor of their cousin, Mr. Hubert Smith, of Portland. The parlors were tastefully decorated for the occasion, and the evening was spent very pleasantly in playing "Progressive Carum," in which the first prize was awarded to Elbert Thompson and Miss Ruth White. "Pit" and other games were also played. At the close of the evening dainty refreshments were served. Those present were Mr. and Mrs. E. A. Thompson, Misses Pearl Brannon, Jessie Smith, Ruth White, Neva and Nettie Smith, McLain, Garnet and Maude Wilson; Messrs. Crossan, Hubert Smith, McLain, Brannon, Squires, Harold and Newton Smith.

**"The Contest Ends."**  
The First M. E. church was a scene of unusual festivity last evening. It was the result of the ending of the membership contest which has been in progress for several weeks. The latter part of December the Sunday School was evenly divided, and listed on sides under two captains, Miss Bertha Andrearthur captain of the Pinks and C. E. Lennon captain of the Blues. The membership has been raised to 1002, and these also include the "Home Department" and "Cradle Roll." The Blues secured an even 300 new scholars and the Pinks 210. So last evening the victorious side was entertained by the defeated Pinks, and right royally treated. Dainty little maidens in white caps and aprons, trimmed with their colors, served the refreshments, and nothing was left undone for their entertainment. The time was spent very pleasantly, the older members in social conversation, and the younger ones in playing games. Every one enjoyed the evenings entertainment, whether on the defeated side or not.

**Euchre Club Meets.**  
Mrs. William Brown and Mrs. S. C. Dyer entertained the members of the Fortnightly Euchre Club yesterday afternoon at the home of Mrs. Brown, on State street. The afternoon was spent very pleasantly in playing six-handed euchre, and Mrs. Catlin was awarded the first prize. Dainty refreshments were served during the afternoon, and the ladies spent a very pleasant social time together.

**It Was All Hearts.**  
One of the most pleasant events in the social realm this week was a valentine party given by Miss Ruth Ketchum at her pleasant home on State street last evening to the members of her class of Willamette University. The Ketchum home was beautifully decorated with Oregon holly, potted plants and streamers of red crepe and hearts. The predominating color was red, and the red shades over the lights cast a ruddy glow on the merry scene. The guests were entertained with many novel games. First, each one was given a card on which to write an original valentine. The result was very good, and caused a great deal of merriment. Miss Dot Segman and itos

# "FOR ALL CATARRHAL COMPLAINTS"

## Pe-ru-na is Most Excellent," Writes Congressman John L. Sheppard.

CONGRESSMAN JOHN L. SHEPPARD.

Congressman John L. Sheppard, Member of Congress from Texas, writes: **Gentlemen:—"I have used Peruna in my family and find it a most excellent remedy for all catarrhal complaints."**—Congressman John L. Sheppard.

There are two things that the whole medical profession agree about concerning catarrh. The first is that catarrh is the most prevalent and omnipresent disease to which the people in the United States are subject. All classes of people have it. Those who stay in doors much and those who go outdoors much. Working classes have it and sedentary classes have it. The doctor finds catarrh to be his constant and ever-present foe. It complicates nearly every disease he is called upon to treat. The second thing about catarrh on which all doctors agree, is that it is difficult to cure it. Local remedies may give relief but they fail to cure permanently. Sprays or snuffs amount to

little or nothing except to give temporary relief. Catarrh is frequently located in internal organs which cannot be reached by any sort of local treatment. All this is known by every physician. To devise some systemic internal remedy which would reach catarrh at its source, to eradicate it permanently from the system—this has been the desire of the medical profession for a long time. Forty years ago Dr. Hartman confronted this problem. He believed then that he had solved it. He still believes he has solved it. He cures thousands of people annually. During all these years Peruna has been the remedy upon which he has relied. It was at first a private prescription,

afterwards manufactured expressly for him in large quantities. This remedy, Peruna, is now to be found in every drug store and nearly every home in the land. It is the only reliable internal remedy ever devised to cure any case of catarrh, however long the case may have been standing.

**A Case of Nasal Catarrh of Five Years' Standing Cured by Pe-ru-na.**  
Hon. Rudolph M. Patterson, a well-known lawyer, of Chicago, Ill., writes: "I have been a sufferer from nasal catarrh for the past five years and at the earnest solicitation of a friend I tried Peruna and am glad to say it has afforded a complete cure. It is with pleasure I recommend it to others."—Rudolph M. Patterson.

A course of Peruna never fails to bring relief. There is no other remedy like Peruna. Its cures are prompt and permanent.

Mr. Camillus Senne, 257 West 124th street, New York, writes:

"I have fully recovered from my catarrhal troubles. I suffered for three years with catarrh of the head, nose and throat. I tried all kinds of medicine without relief, but at last I have been cured by the wonderful remedy called Peruna. I read of Peruna in your almanac, and wrote you for advice, which I followed. After taking one and one-half bottles of Peruna I am entirely cured and can recommend Peruna to anyone as the best and surest remedy for any catarrhal troubles."—Camillus Senne.

**Hearing Lost by Catarrh—Restored by Peruna.**  
Mr. William Bauer, Burton, Texas, a Ginner and Miller, writes: "Some years ago I lost the hearing in my left ear, and upon examination by a specialist, catarrh was decided to be the cause. I took a course of treatment and regained my hearing for a time but I soon lost it completely. I commenced to take Peruna according to directions and have taken eight bottles in all, and my hearing is completely restored, and I shall sing the praises of Peruna whenever an opportunity occurs."—Wm. Bauer.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Seward received first prizes. "A heart hunt" was then indulged in—tiny red hearts being hidden about the room. Olive Riddell and Mr. Updyke succeeded in finding the most, and were awarded the prize in the "floral love story." Miss Riddell again captured the first prize, and Martin St. Pierre the gentleman's first. In one corner of the hall was the fortune teller's den, and here, amid weird lights, she told the guests their past, present and future lives, quite to their satisfaction. She presented each young man with a bottle labeled "Cure for Love," and, upon pulling out the cork, found a pin, on the end of which

was a tiny mitten. Refreshments were served by the hostess and enjoyably discussed. Before the guests departed for their home each was presented with a unique valentine. There were about 35 present at this charming event.

**Wolf Goes to Europe.**  
Governor Chamberlain today commissioned Adolphe Wolfe, one of the directors and the auditor of the Lewis and Clark Exposition Co., as a special commissioner to represent the state of Oregon in Europe. Mr. Wolfe goes to Europe for an extended trip in a few days, and will address chambers

of commerce and other commercial, mercantile, manufacturing and shipping associations on the forthcoming Lewis and Clark exposition.

**Extra Cars to Asylum.**  
The Citizens' Light & Traction Co. will run extra cars to the asylum following the 8 and 8:20 p. m. cars Saturday evening. Cars will also be in waiting after the reception.
