**FAMOUS KILTIES COMING**

New Pipers and Scottish Dancing Lassies

A Special Matinee for Ladies and Special Rates for School Children

Of more than ordinary interest is the announcement of the coming of the famous Kilties Band, the Gordon Highlanders of Canada, who have so successfully toured the United States, Canada and Mexico, for the past three seasons. This wonderful organization, which consists of 40 bandmen, 2 bagpipers, 7 soloists, 4 British Military buglers, 6 Highland dancers, and 1 giant Drum Major, who is over 7 feet in height, is re-inforced by a splendid vocal choir of sixteen voices. The Kilties will give two concerts at the Grand Opera House on next Friday (19th). The band appears in full kilted uniform, and is splendidly equipped with every accessory necessary to the conduct of a high class concert band. Of particular interest to all will be Mr. Donald MacCormack, the drum major of the organization. Mr. MacCormack stands 7 feet in his stocking feet, and when wearing the feather bonnet of the organization, he is over 8 1/2 feet tall. He is as good natured as he is big, and is a thorough master of his business.

Owing to the fact that the band is compelled to take the 10:33 train the curtain will raise at 8 o'clock sharp. This will enable them to render the program in its entirety—responding to all encores, and a complete production is guaranteed. A special matinee will be given at 2-15. The management is desirous of making this performance an especial feature for ladies and children. Each lady occupying a reserved seat will be presented with a souvenir; while the children will be admitted to any seat in the house for 25 cents.

**NO MAN OR WOMAN CAN HAVE DYSPEPSIA**

And Still Be Agreeable, Attractive and Popular—A certain Cure in Reach of All.

There is nothing that will put you to the front so rapidly in the business or social world as a cheerful disposition and a pleasant appearance. Other things being equal people will go out of their way to give the fellow a lift who always wears a cheerful countenance. The man or woman with a cranky disposition and a sour face will always meet with an indifferent if not a chilly reception. The commercial traveler, who is the recognized business barometer, appreciates better than any one the value of this rule and governs his actions accordingly.

Dyspepsia destroys all the agreeable qualities that enter into a man or woman's makeup. It is almost a human impossibility for anyone with a severe case of dyspepsia to look pleasant. The continuous, miserable, cast-down feeling is bound to make itself shown in the appearance and conversation.

Stuart's Dyspepsia Tablets are the sufferer's certain cure. They are so recognized all over the world. The cures they have brought about and the happiness they have caused and the suffering they have relieved has made their name a household word in all the English-speaking world.

The reason that Stuart's Dyspepsia Tablets are a certain cure is that they are a natural cure. There is nothing to prevent them curing. They contain the essential ingredients of the digestive fluids of the stomach and simply do the identical work of the stomach, relieving that weakened organ and permitting it to rest and recuperate. Could anything be more simple or natural? They are bound to cure. They cannot help themselves. It is just like putting a new stomach into a man—if that were possible—and letting the old one go off on a vacation. Rest is what it needs. Nature will do her own work of restoration, never fear.

Stuart's Dyspepsia Tablets are for sale by all druggists at 50 cents a box. All druggists means all druggists. They have become so neces-

**OIL FOR THE BODY**

You can't lose an atom without feeling it. The body is like an engine, a watch, a machine; must be kept in good order to run right.

That's the reason Scott's Emulsion is so successful in all wasting diseases. It feeds, nourishes and strengthens when ordinary food won't.

Doctors say Scott's Emulsion is the best nourishment for those who are not as well as they should be—young or old.

We'll send you a bottle free upon request. SCOTT & BOWNE, 409 Pearl Street, New York.

sary to the people that the druggist simply has to keep them anyway. There are other remedies that he can make much more money on if he could sell them, but he can't. He will not take chances on losing his customers by not always having on hand a supply of Stuart's Dyspepsia Tablets.

**Negro Farmers' Convention.**  
Little Rock, Ark., Feb. 17.—The negro farmers' congress, for which preparations have been making for a long time, opened auspiciously today at Williams Industrial College. The congress will remain in session untilaturday and an elaborate program of papers and discussions on agricultural topics has been prepared. Several speakers and agriculturalists of note will be heard.

**Good Spirits.**

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. At Dr. Stone's drug stores.

**THE AMERICAN SAILOR.**

He Works and Plays Hard and Spins Great Yarns.

The sailor's life is not altogether one of hard work, and on the whole he has a very good time. Dancing, gymnastics, fencing, boxing and boat racing fill his leisure hours. His natural fondness for pets is proverbial, and there are few ships without a mascot, be it a goat, dog or Dennis the pig, which serves to lighten the hours of the dull watches at sea. Many stories are told of the prowess of ships' pets at night on the fore-castle, when the hammocks are down and the pipes lighted. One man spins a yarn of a cat that was born in an old boiler, cruised 50,000 miles in one ship, established a great reputation as a fighter in all parts of the world and finally ended his adventurous career on the coral reefs of Samoa, says a writer in the World's Work. Another tells of a monkey without ears or tail, with which he sailed in the China seas, whose fondness for liquid paint produced periodical attacks of blindness. There is a story of a dissipated dog who never lost an opportunity to get drunk and who always recognized the bugle call for the gig and invariably ran to the gangway when it sounded to go ashore with the captain. But the best of all is the one of the pet bear who chased a young officer up the mizen rigging. Fortunate indeed is the animal that falls into the hands of a sailor.

"The sailor man has his vagaries," once said the bishop of Shanghai over the coffin of a sailor who had taken his own life, "but he is the tenderest hearted creature into which God ever breathed the breath of life."

**A Modern Annals.**

Mrs. Mateland—Henry, I wonder if you love me as much as you used to love me before we were married. You never say the pretty things to me that you did in those days.

Mr. Mateland—That's because I love you more than I did then, dear. I love you too much now to lie to you, you know.—Boston Transcript.
