THE MARRIAGE QUESTION.

The professor who announced that "love and romance die out with the sound of the wedding bells," was the first to start the ball rolling. It would seem a brave woman who marries with this echo in her ears, yet we have not heard that there were fewer marriages during the year. There are unhappy married lives, but a large percentage of these unhappy homes are due to the illness of the wife, mother or daughter.

During a long period of practice, Doctor Pierce found that a prescription made up entirely of roots and herbs, without the use of alcohol, cured ninety-eight per cent. of such cases. After using this remedy for many years in his private practice he put it up in a form that can be had at any store where medicines are handled.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$50 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Proflapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

Dr. Pierce's Favorite Prescription cures headache, lachrymation, nervousness, sleeplessness and other consequences of womanly disease. "Favorite Prescription" makes weak women strong and sick women well. Accept no substitute for the medicine which works wonders for weak women.

will offering will be taken for foreign mission. On behalf of committee, Rebecca Fraser.

A MODEL HUSBAND.

A man must be that can wear the shirts and collars that we see daily on suffering mankind. Why torture yourself with a new collar when we will launder one for 3 cents or why wear a shirt front that looks like a mackerel sky in an oil painting when we will launder one in faultless style for 10 cents.
