

"POOR DIGESTION, LAGUID AND TIRED."

[An Interesting Letter Concerning Pe-ru-na.]

MISS DELLA JANVEAU

Miss Della Janveau, Globe Hotel, Ottawa, Ont., is from one of the oldest and best known French Canadian families in Canada. In a recent letter to The Peruna Medicine Co., of Columbus, Ohio, she says:

"Last spring my blood seemed clogged up, my digestion poor, my head ached and I felt languid and tired all the time. My physician prescribed for me, but a friend advised me to try Peruna. I tried it and am pleased to state that I found it a wonderful cleanser and purifier of the system. In three weeks I was like a new woman, my appetite had increased, I felt buoyant, light and happy and without an ache or pain. Peruna is a reliable family medicine."

Adia Brittain, of Sokitan, O., writes: "After using your wonderful Peruna three months I have had great relief. I had continual heaviness in my stomach, was bilious, and had fainting spells, but they all have left me since using Peruna."
—Adia Brittain.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

MILITIA MAY CAMP IN CALIFORNIA

Latest Washington Advices State That Northwest Troops Will Be Mobilized

Instead of a department gathering of militia and regular troops in Oregon during the coming summer, a division encampment may be held in California. Adjutant-General Finzer, of the Oregon National Guard states that it had not been definitely decided where or whether the encampment would be held, though General Funston, department commander of the Columbia district, favored American lake as the site. It has been decided that a regular mobilization will be held with both the regular army and militia as participants, but it has not been determined on what scale the mobilization will be held.

The latest plans is for a division mobilization. In such a meeting troops would be gathered from Oregon, Washington, Idaho, Montana, California, Nevada and Utah. Washington semi-official dispatches state that such a mobilization has been decided on, and that the Henry ranch, in San Luis Obispo county, California, has been purchased for this and other encampments.

This camp consists of \$22,000 acres and \$500,000 will be asked from congress as the purchase price, a bill having been prepared for this purpose. The time of the encampment will be during the last few weeks of July or early in August.

Should the division encampment be decided on the camp will consist of 10,000 to 12,000 men, half of whom will be regulars from the department of California and the Columbia. This gathering would be not only the greatest mobilization ever held on the coast or in the West, but would be as well the first joining of regulars and state troops in a series of maneuvers. It is probable that, should the division plan not be carried out the department of Columbia troops and the militiamen from Oregon, Washington

and Idaho will join forces at American Lake during the late summer. General Funston regards the lake as the most available site for such extensive maneuvers, and should the division idea not be carried out, as department commander the general would have the arrangements to time and place in his own hands.
