MANY DIE OF MEASLES

Disease Obliterates Eskimo Settlement in Alaska

Dawson, Y. T., April 6.—All the Eskimos at the mouth of the MacKenzie river have died of measles. The deaths numbered 200. Bishop Breynat, of the Catholic church, just arrived, brings the news. Two small steamers are crushed in the ice on the upper MacKenzie.

A Rampart paper states that the spring thawing is likely to render the entire Alaskan telegraph system useless until summer repairs are possible. Too much hasty construction is the cause.

Clinton Mayo, a son of Captain Mayo, the most prominent Rampart pioneer, died from drinking wood alcohol.

Rampart is short of many staples. It is the most serious in the history of the camp. Great mining activity in Fairbanks and Rampart is the cause. Alonzo Chesworth was killed by a bear in the Tanana valley. His home is not ascertained.

A habeas corpus petition has been filed in Nome for the release of Countess Moraczewski, who are held on a charge of assault.

A Fort Elbert special to the Nome News says that Sergeant Fred Sanford, of the signal corps, and \$150 have disappeared mysteriously. No clue to as to his whereabouts.

Call for Congressional Convention

A convention of the Republican party of the First congressional district of the state of Oregon is hereby called to meet in Salem, Ore., Wednesday, April 13, at 11 a. m., for the purpose of nominating one representative for congress and to transact such other business as may properly come before the convention.

The convention will consist of 177 delegates, apportioned among the several counties of the district as follows, to-wit: Benton, 7; Clackamas, 18; Coos, 9; Curry, 3; Douglas, 14; Jackson, 12; Josephine, 7; Klamath, 4; Lake, 4; Lane, 19; Lincoln, 5; Linn, 14; Marion, 23; Polk, 9; Tillamook, 5; Washington, 13; Yamhill 11. Total, 177.

The same being one delegate-at-large for each county, one for every 150 votes cast for Judge Bean on the last general election, and one for every fraction of 150 larger than 100.

That the work of the convention may be expedited as much as possible, the committee suggests that the chairmen and secretaries of the several county conventions certify to the list of delegates elected by their county conventions to this congressional convention and mail them at once to Curtis B. Winn, secretary congressional committee, Albany, Ore.

Delegates or others in attendance at the convention may secure a rate of one and one-third fares for the round trip on the Southern Pacific and the Corvallis & Eastern railways by paying full fare to Salem, taking a receipt for fare paid from the ticket agent and having same properly certified by the secretary of the convention.

T. W. HARRIS,
Chairman Congressional Committee.

CURTIS B. WINN, Secretary.

Blood

Keep your blood clean as you keep your body clear. You don't wait until your body is full before you cleanse it.

It is a matter of surprise that many people who are so careful to have clean bodies make no effort to keep the blood clean. Everyone knows that unclean blood breeds disease; that those who do not keep their bodies in a wholesome condition and who dwell in filthy surroundings are the first to fall when some epidemic of disease sweeps the country. But foul blood is more dangerous to the individual than a foul body. An unclean body is rather a passive than an active hindrance to health. But unclean blood is an active threat against the very life—it makes the body a prepared breeding place for disease.

It is part of Nature's plan for human safety that in many cases where the blood is impure or corrupt she sets a sign on the body in proof of the corrupt current that is flowing through the veins. Scrofula with its disgusting sores and scars, eczema with its irritation, salt-rheum, tetter, erysipelas, boils, pimples and other eruptions are only the outward signs of the impurity of the blood. But often in the earlier or simpler stages of the blood's impurity there are no outward signs of this condition; only dull, languid, sluggish feelings, which are commonly attributed solely to the sluggishness of the liver.

Of all preparations for purifying the blood Dr. Pierce's Golden Medical Discovery easily takes the first place. It eliminates from the blood the elements which clog and corrupt it, and which breed and feed disease. It acts directly on the blood-making glands, increasing their activity, and so increasing the supply of rich, pure blood which is the life of the body.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Medical Adviser, paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
