WHOLE TOWN QUARRELS

People in Tangent Engage in a General Row

Albany, Or., April 7.—The little town of Tangent, six miles south of Albany, is greatly aroused over a school quarrel. Trouble between the teacher and a young lady pupil of the public school has led to extensive difficulties, and practically the whole community is now interested in the quarrel.

On March 3d, Professor W. A. Iden, the teacher of the Tangent public school, who is also pastor of the M. E. church, south of Tangent, expelled Miss Mabel C. Tisdale, the 16-year-old daughter of W. J. Tisdale, from the school. He said she was guilty of misconduct, insubordination and open rebellion to the rules of the school, and that the welfare of the school demanded her expulsion. On March 7th, Prof. Iden notified the directors, in writing, of his action, and filed the above mentioned charge against Miss Tisdale with the clerk of the schoolboard, C. Scott.

M. L. Forster, chairman of the board of directors, then directed, in accordance with the state law bearing upon such cases, that a copy of the charges be served upon the offending pupil, and notice given that there be a trial. An attempt was then made by citizens who had become interested in the affair, to effect a compromise in the unfortunate situation. Accordingly the board met and agreed that Miss Tisdale could be reinstated upon apologizing either to the board of directors or to the teacher.

Mr. Tisdale was not satisfied with this decision, so the board of directors finally declared that they would hold a private investigation, and inquire into all the details and circumstances attending the case at 9:30 o'clock, March 23d. This was assented to at the time by Mr. and Miss Tisdale, but they did not appear at the place at the time agreed upon, so the board, after waiting two hours, abandoned the idea of an investigation.

In the meantime Professor Iden had resigned as principal of the public school. The affair had created such a sensation, and there was such a diversity of opinion among the citizens regarding it, that the professor presented a formal resignation to the board March 11th, and it was accepted.

On March 23d, Mr. Tisdale filed a complaint, and at the same time an appeal from the action of the board requiring an apology from his daughter with County School Superintendent W. L. Jackson. Yesterday the

board of directors and the former teacher were in Albany, and filed an answer to the complaint with Superintendent Jackson.

Another peculiar circumstance in the affair developed last Monday at a meeting of the directors, when it was discovered that Mr. Scott, clerk of the board, had burned the charges originally made against Miss Tisdale by Prof. Iden, without the knowledge or consent of the directors.

Superintendent Jackson now has the entire matter under consideration. It has aroused great excitement at Tangent, and has proven to be the greatest sensation that town has experienced for several years. As various other little difficulties are becoming connected with this school quarrel, the outcome of the affair is being anxiously awaited at Tangent.

HOW TO WIN A HUSBAND.

Woman's sphere in this 20th century is not limited any more than man's. She can occupy almost any business position or profession, and yet the popular view of womanhood is that she best fits the position of wife and mother and head of the household. Every girl should know her heart and also know that her womanly system is equal to the strain of marriage. If a girl is nervous and irritable she chances to one it is due to some trouble peculiar to womanhood.

Cupid has no place in a girl's heart if she is nervous and irritable, feels dragged down, worn out for no reason that she can think of. The weak back, dizzy spells and black circles about the eyes are only symptoms. Go to the source of the trouble and correct the irregularity. Stop the strain on the womanly system and the other symptoms will disappear. This can be done easily and intelligently. So sure of it is the World's Dispensary Medical Association, the proprietors of Dr. Pierce's Favorite Prescription, that they offer \$500 reward for women who cannot be cured of leucorrhea, female weakness, prolapse or falling of the womb. All they ask is a fair and reasonable trial of their means of cure.

"Your 'Favorite Prescription' cured me of ulceration and inflammation, from which I suffered for many years," writes Mrs. Delphia Wheaton, President Santa Barbara Lawn Tennis Club, Arlington Hotel, Santa Barbara, Calif. "Health was completely broken down when I began its use and I was in dreadful pain most of the time, but ten bottles cured me."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets are the most desirable laxative for delicate women.
