KIND WORDS FOR WILLIAMSON

A First Class Member for a New Man in Congress

The president signed the Portland exposition bill and Williamson is nominated for congress all on the same day. This is good enough for Oregon.

Oregonian, April 11.—A little late, but better late than not at all: "In nothing that has been said would we wish to be understood as reflecting on Mr. Williamson; for Malcolm Moody is not the only good man in Eastern Oregon or the only man there who is capable of representing the Second district in congress with ability and distinction. There are many such; but out of them all Mr. Williamson has been selected by the representatives of his party, duly chosen according to law, as truly as if the convention had already met and made him the nominee. He is therefore the candidate, not only of the Oregonian, but of every Republican; and we would respectfully suggest to the Republicans of the Second district that it is a good time for honoring in the breach that ancient custom of knifing Republicans in order to elect Democrats.

Mr. Williamson is a man of tremendous energy, and his faculty of making and holding friends is sufficiently attested by the events that have led up to his present triumph. He is a new man in congress, but under the necessary limitations of that newness he has been tireless in his efforts for his district and state. His service is yet too short to show what is in him, and his district has taken him now, largely as it did two years ago, on faith in his ability and fidelity, derived from his successful discharge of lesser obligations. It is his duty and the self-interest of his constituents to hold up his hands in congress and give him that countenance and support without which his best effort will be on uphill task."

The Property Called Health runs down or improves, just depends on how it is cared for. It is the most valuable property we have, and should receive the most consideration. It helps you in business, helps good looks, helps make friends, helps get situations and helps you hold them, and always makes happiness. Property like this, at the first indication of being out of repair, should be looked after and a remedy applied at once. There are any number of signs that show repairs are needed. Biliousness, belching, indigestion, dyspepsia, belching, dizziness, sick headache, sallow complexion, pimples and liver spots on the face, a drowsy feeling after meals, sour stomach, etc. These symptoms all show loss of health. Druggists will sell you for 25c a box of Dr. Gunn's Improved Liver Pills, a sure cure for all of these diseases.

Baseball at Albany. Albany, Or., April 18.—The Albany baseball team has already scheduled two games for the season, and in a short time will have a number of dates filled. Next Saturday the team will go to Lebanon, and play the team of that place on the Lebanon diamond, and a week later the Lebanon boys will come here to play the Albany boys at Rambler park. Both teams have commenced practicing and will play good ball this season, and the people will doubtless appreciate the efforts of the boys in trying to give amusement and entertainment.

CASTORIA. The Kind You Have Always Bought. Bears the Signature of *Wm. D. Galt*

For over a third of a century Dr. Pierce's Golden Medical Discovery has sold more largely than any other blood purifier or stomach tonic.

Bigger sales today than ever before. Is that not the true test? Cures others, why not you? Makes rich red blood. An imitation of nature's method of restoring waste of tissue and impoverishment of the blood and nervous force is used when you take an alternative extract of herbs and roots, without the use of alcohol, like Dr. Pierce's Golden Medical Discovery. This vegetable medicine coaxes the digestive functions and helps in the assimilation of food, or rather takes from the food just the nutrient the blood requires. Dr. Pierce's Golden Medical Discovery purifies the blood and entirely eradicates the poisons that breed and feed disease. It thus cures scrofula, eczema, erysipelas, boils, pimples, and other eruptions that mar and scar the skin. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood. Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands, and it enriches the body with an abundant supply of pure, rich blood. No matter how powerful the intellect or the resources of intellectual power, it must be backed up by physical force. Every day the youth or man must manufacture a pint of rich, arterial blood, that is pure, stimulating to the brain, and that can rebuild the tissues that were destroyed in yesterday's work. Dr. Pierce's Pellets cure biliousness.

CENTENARIAN IN JAIL.

Spends 100th Birthday Behind the Bars.

New York, April 18.—White haired and venerable, but straight as in his youth, Leonard Wilson, who rounded the 100 years of his life yesterday, was made to celebrate his birthday in the loneliness of a police cell as a common vagrant. Once the possessor of wealth, as he declares, he had yesterday not even one penny, and, for solace, the reflection that his only daughter, to whom he gave his all, would not shelter him now as he nears the end of his long life journey.

The daughter, according to the old man, whose long white beard and tall commanding figure gave him a patriarchal appearance, is living in luxury in Harlem not far from the tomb of General Grant. Mr. Wilson declares that he had more than \$300,000 when he came to this country many years ago, and that his only child, on her marriage to a society man, persuaded him to let her invest the money.

She bought real estate in her own name, and then refused to let him enter her door, but told him to shift for himself. Apparently it never occurred to the father to appeal to the law to right the wrong. Instead he sought work as a watch-

man in the stock yards in Jersey City and worked there until increasing feebleness compelled him to stop. For a number of years he had lived with a family of the name of Smith at No. 147 West One Hundredth street, but the high rents compelled the family to seek smaller quarters. The Smiths moved yesterday, and they sorrowfully told Mr. Wilson that the new home was not large enough to hold him.

In grief the old man sat down on the steps of the One Hundredth street house, after the family had gone, and wept. He was still sitting there at dark, and when Detective McManus asked the trouble he told the simple story.

The detective saw but one remedy—to arrest the aged man for vagrancy—and this he did. Mr. Wilson protested in vain.

Roseburg Ranchers Happy.

Roseburg, Or., April 18.—The outlook for an extraordinary fruit crop in Douglas county is extremely good this season.

The fruit men have broad smiles on their faces as a result of the prospects. All kinds of fruit will be late as the season has been very rough since December, but this eliminates the likelihood of frosts, which do so much damage in early seasons.

Now We've Got It!

Something that every housewife ought to have, and WILL HAVE when they find out what a fine thing it is.
