

STERILITY

How shall a mother who is weak and sick with some female trouble bear healthy children?

How anxious women ought to be to give their children the blessing of a good constitution!

Many women long for a child to bless their home, but because of some debility or displacement of the female organs, they are barren.

Preparation for healthy maternity is accomplished by Lydia E. Pinkham's Vegetable Compound more successfully than by any other medicine, because it gives tone and strength to the parts, curing all displacements and inflammation.

Actual sterility in woman is very rare. If any woman thinks she is sterile, let her write to Mrs. Pinkham, Lynn, Mass., whose advice is given free to all expectant or would-be mothers. The medicine that instantly asserts its curative powers in the ills of women is

Lydia E. Pinkham's Vegetable Compound.

Read These Two Remarkable Cures.

"DEAR MRS. PINKHAM:—During the early part of my married life I was very delicate in health. I had two miscarriages and both my husband and I felt very badly as we were anxious to have children. A neighbor who had been using Lydia E. Pinkham's Vegetable Compound advised me to try it, and I decided to do so. I soon felt that my appetite was increasing, the headaches gradually decreased and finally disappeared, and my general health improved. I felt as if new blood coursed through my veins, the sluggish, tired feeling disappeared, and I became strong and well."

"Within a year after, I became the mother of a strong, healthy child, the joy of our home. You certainly have a splendid remedy, and I wish every mother knew of it. Sincerely yours, MRS. ANNA POTTS, 510 Park Ave., Hot Springs, Ark."

"DEAR MRS. PINKHAM:—I was married for five years, and gave birth to two premature children. After that I took Lydia E. Pinkham's Vegetable Compound, and it changed me from a weak, nervous woman to a strong, happy and healthy wife within seven months. Within two years a lovely little girl was born, which is the pride and joy of our household. If every woman who is cured feels as grateful and happy as I do, you must have a host of friends, for every day I bless you for the light, health and happiness your Vegetable Compound has brought to my home. Sincerely your friend, MRS. MAE P. WHARF, Flat 31, The Norman, Milwaukee, Wis." Sec. Northshore Oratorical Society.

OVERTAXED.

Hundreds of Salem Readers Know What It Means.

The kidneys are overtaxed. They have too much to do. They tell all about it in many aches and pains—backache, sideache, headache—early symptoms of kidney ills.

Urinary troubles, diabetes, Bright's disease follow.

A Salem citizen tells here a certain cure.

G. S. Cooper, farmer, living three miles northeast of Salem, on the Garden road, says: "I very often lifted heavy weights, but have since regretted having done so, as the result was that I strained my back and ever after had more or less trouble from dull, aching pains across my loins and other symptoms of kidney complaint. In some way Doan's Kidney pills were brought to my notice and the first time I went to town I dropped into Dr. Stone's drug store and inquired about them. I was told they were highly recommended and advised to give them a trial. I did so. And while I did not follow the treatment as regularly as I should have done, being a poor hand to take any kind of medicine, the benefit I derived from their use stamps them as a remedy which acts fully up to the representations made for it."

For sale by all dealers. Price 50 cents. Foster-Mulburn Co., Buffalo, N. Y., sole agents for the United States.

DEGREE OF HONOR CONVENTION
Delegates Met in Albany and Discuss Important Questions.

Albany, Or., April 22.—The district convention of the Degree of Honor of the lodges in the counties of Benton, Lane and Linn was in session in this city since Wednesday afternoon, and closed last night with a public meeting for the members of the degree, the A. O. U. W. and their families. The convention Wednesday afternoon met and organized with Miss Maggie Barker, of this city, as president, and Mrs. Bertha T. Parker as secretary. Wednesday afternoon's session was devoted to discussion of questions of law, and proposed legislation to be brought up before the grand lodge at its meeting in July, next. The meetings of the lodges by districts are be-

ing held for the purpose of discussing proposed legislation and becoming familiar with the laws of the order, so that needed changes can be thoroughly and intelligently studied before the meeting of the grand lodge.

Prohi Candidates Nominated.

The congressional candidates of both districts in the Prohi party have been nominated, and are filled with the secretary. H. W. Stone for first district, Hiram Gould for the second. This has overcome the ruling that threatened to deprive this party of a place on the official ballot.
