

# FRUIT CROPS INJURED

## Recent Cool Weather Retards Growth of Some Products While Others Flourish

The weather during the week has not been wholly favorable for advancing the growth of crops; it has been cool and rainy, with one heavy frost in the Western section of the state and two or three light frosts in exposed places east of the Cascades. Fruit, which generally is in full bloom has received some injury, but just how much cannot be ascertained. In the Western section the weather immediately following the frost was foggy and cool, which is favorable for the recuperation of chilled plant life.

## No Dessert More Attractive

Why use gelatine and spend hours soaking, sweetening, flavoring and coloring when **Jell-O** produces better results in two minutes? Everything in the package. Simply add hot water and set to cool. It's perfection. A surprise to the housewife. No trouble, less expense. Try it to-day. In Four Fruit Flavors: Lemon, Orange, Strawberry, Raspberry. At grocers. 10c

and it is not thought that the fruit crop has been seriously injured. Fall wheat continues doing splendidly; it has a good color, is well stooled and growing rapidly. The soil is in excellent condition for spring plowing, and this work is being pushed; seeding, however, has been delayed to some extent by the rains, but it is now generally well advanced, and the early sown fields of wheat, barley and oats are germinating nicely. Hops also thrifty and promising, but the work of cultivating the vines is much behindhand. Pasturage is excellent for the season of the year. Stock is picking up in flesh, and the flow of milk in the dairy districts is better than usual. Goat shearing is finished and sheep shearing is becoming general.

# PLEASED WITH THE COAST

## A. L. Harvey Compares Oregon to Colorado His Former Home

A. L. Harvey is one of the newcomers who is delighted with Oregon, and especially with Salem. Mr. Harvey formerly resided in Denver, Col., and arrived in Oregon last December. He is engaged in the grocery and provision business and is more than pleased with the outlook. "I think the weather this spring has been fine, although you Oregonians seem to complain about it," said Mr. Harvey this morning. "The climate of Oregon and Colorado are just the opposite in every respect. In that country it is extremely drought, while out here we have a superabundance of rain. I came out West for the purpose of making my home here and I am well satisfied with the change. I find a very sociable and genial class of people in Salem, and they make good neighbors. Yes, sir, I like the Coast."

**Play by Local Talent.**  
The West Salem local stock company, who have been giving the play entitled "A Family Affair" in several of the surrounding towns with great success, have consented to appear again at the West Salem Literary society hall in West Salem, Saturday night. After the play there will be an ice cream social given. It is hoped there will be a large attendance.

## HOME ENDORSEMENT.

Hundreds of Salem Citizens Can Tell You All About It.  
Home endorsement, the public evidence beyond dispute for every Salem reader. Surely the experience of friends and neighbors, cheerfully given them, will carry more weight than the utterances of strangers residing in far-away places. Read the following:  
Mrs. Needham, wife of W. S. Needham, painter, residing at the corner of Fourth street and Jefferson avenue, North Salem, says: "Like almost all painters my husband has been troubled with his kidneys for years. The exposure, the reaching and stooping, combined with the turpentine and materials in the paint, all tending to put the kidneys out of order. His back often ached badly at night when he came home from work and when he caught cold it always aggravated the trouble. He read an advertisement about Doan's Kidney Pills and procured a box at Dr. Stone's drug store and used them. They did good work by helping him at once and he continued their use until relief was obtained."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other. 14

# \$3000 Forfeit

The above will cheerfully be paid in lawful money of the United States, by the undersigned, proprietors of Dr. Pierce's Golden Medical Discovery, if they cannot show the original signature of the individual volunteering the testimonial below, and also of every testimonial among the thousands which they are constantly publishing attesting the superior curative properties of their several medicines, and thus proving the genuineness and reliability of all the multitude of testimonials volunteered by grateful people, in their behalf.  
**WORLD'S DISPENSARY MEDICAL ASSOCIATION, PROPRIETORS, BUFFALO, N. Y.**  
**THE REASON.**—There is no medicine equal to Dr. Pierce's Golden Medical Discovery, for purifying the blood. It carries off the poisons which contaminate the life fluid. It increases the activity of the blood-making glands and gives the body an increased supply of pure, body-building, healthy flesh instead of flabby fat, promotes the appetite, feeds the nerves, and so gives to weak, nervous people vitality and vigor.  
"About a year ago I had a very bad cough and feared it would run into consumption," writes Hon. Geo. W. Lynch, of 27 Mason Street, Worcester, Mass. "When a severe attack of coughing would come on vomiting would set in. Matter accumulated in nose and my tonsils were throbbing. After reading of the wonderful cures resulting from Dr. Pierce's Golden Medical Discovery I began to use it, with some doubts as to the good it would do me. I am frank to say, but after I had used one bottle I noticed quite a change for the better. Ordered five more bottles and before I had used them all the cure was complete. There is not now a trace of cough or cold in my system and my health is perfect."
