Even the Weather Will Be in Harmony With the May Festival

If you have never been to the annual May Festival, you will have a splendid opportunity this year, that you cannot afford to miss. If you have been a regular attendant at these annual events you doubtless will not miss this one.

For the first time in four years this great gathering of singers of the Willamette valley will be in Salem, and extensive preparations are in progress to make this a feast of music, and everything is fully up to the expectations of those that have it in charge.

In this great annual gathering the best singers of the valley congregate, and a three-days' session of song is held. It comes at the season when all nature is tuned to the sweetest music, and is in reality a festival.

THE NEW WOMAN.

Mrs. EMMA MITCHELL.

Mrs. Emma Mitchell, 820 Louisiana street, Indianapolis, Ind., writes: "For the past five years I have rarely been without pain, but Peruna has changed all this, and in a very short time. I think I had taken only two bottles before I began to recuperate very quickly, and seven bottles made me well. I do not have headache or backache any more, and have some interest in life."—Emma Mitchell.

The coming of what is known as the "new woman" in our country is not greeted by everyone as if she were a great blessing. But there is another new woman whom everybody is glad to see. Every day some invalid woman is exclaiming, "I have been made a new woman by Dr. Hartman's home treatment." It is only necessary to send name, address, symptoms, duration of sickness and treatment already received to Dr. Hartman, Columbus, Ohio, and directions for one month's treatment will be promptly forwarded.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

GAME WARDEN ACTIVE

Will Prosecute All Violators of the Laws When Apprehended

State Game Warden J. W. Baer, of Cottage Grove, was in the city today, and left for Albany, where he will swear out warrants for the arrest of several Benton county men, who have been breaking the game laws, and killing deer out of season. Mr. Baer is making a vigorous campaign against the unlawful killing of game, especially deer, and has made many prosecutions in the southern part of the state. Recently he heard of five men in Josephine county who were in the mountains on a hunt, and, together with two deputies, followed the party. He found them camped, and they had 10 fresh killed deer, together with a number of hides that had been taken from animals a few days previous. He arrested three of the crowd, and they were fined \$25 each and costs. Mr. Baer is greatly handicapped for lack of funds, but is utilizing every opportunity to punish infractors of the law. The duties of the game warden make it necessary for him to travel throughout the state, and the next legislature could well afford to increase the emoluments of the office.

A Social Event.
 Mrs. Sherman W. Thompson and Mrs. E. M. LaFore, were the hostesses at a delightfully arranged "afternoon" given at the home of the former last Friday.

The house was decorated in a most artistic manner. Yellow was the color scheme, which was carried out in every room. Quantities of Scotch bloom, daffodils and tulips being in evidence.

The ladies were entertained at a novel guessing contest, in which Mrs. C. E. Wolverton received first prize, and Mrs. H. B. Thelsson won the second. The hostesses were assisted in serving by the Misses Nettie Becker and Vera Byars.

About forty-five ladies were in attendance and spent a most delightful afternoon.

Walker Case Dismissed.
 The case of the State vs. Walker for assault and battery was dismissed by Deputy Prosecuting Attorney C. L. McNary today on account of insufficient evidence to convict. The case was tried once, and the jury failed to agree, and the prosecution did not care to entail additional expense on the county by going to trial with the same evidence a second time.

LADIES ADMITTED FREE

Baseball Management Has Established Thursday as Ladies Day

The Vancouver "Soldiers" arrived in the city today, and will be in good shape for the opening game tomorrow afternoon. They are a husky looking lot of ball tossers, and when the Salem fans think that it will be a complete walk-over for the Raglans, they have another guess coming, for Manager Preble has reorganized his team and expects to make the locals go some for their laurels.

Both teams are practicing this afternoon, and if the weather remains fair the contest should be a fair one. Howard will occupy the box for the visitors, while Wilner will probably twirl his initial game for the locals.

The board of directors of the Salem team have decided to make every Thursday "Ladies Day," and on that day the fair sex will be admitted to the gate and grand stand free. Tomorrow will be the first ladies' day of the season, and the ladies should show their appreciation of the kindness of the Salem club by their presence at the grounds.

The line-up of the team has not been completed, but will be about as follows:

Nehring	1b

Sam Kieffman, the state house elevator man, is again at his place, after a severe attack of rheumatism.

Albert Tozier, the state printing expert, is in town for a few days, measuring up work of that office.
