Juniors Took Possession of Roof of Villard Hall

Sophomores Made no Attempt to Thwart Their Plans-- Freshmen Flag From Deady Hall

(Eugene Register, May 7th.)
Early yesterday morning several members of the junior class took possession of the roof of Villard hall for the purpose of floating the '05 flag from there this morning. They were well armed with various implements for beating off any attack. The enthusiastic students also took to the room with them a quantity of provisions and a tent and bedding. After all avenues of approach were secured with them a quantity of proceeded to make themselves comfortable for the day.

The sophomore made no attempt to reach the roof, and will in all probability not do so, as they recently voted in class meeting not to molest the juniors.

So, if the plans work out, the '05 flag will float today, and the juniors will be happy.

The ever-present freshmen butted in yesterday, and, with great ceremony, raised the '07 flag from Deady hall. It is needless to say that no one noticed the flag any more than to give a few sighs of pity for its would-be defenders.

CHILD DRINKS FATAL DOSE.

Picked Up Bottle in House into Which Parents Had Just Moved.

Newberg, Or., May 7.—The year and a half old son of Mr. and Mrs. Prather drank poison from a bottle he picked up in the house, and expired in a few minutes, a day or two since.

The Prathers had just moved into a house in which some bottles had been left in the back room, but both parents

being in poor health for the time being had not examined or removed them. Tuesday evening the baby boy, in playing around, got hold of a bottle, and when the mother reached him the contents had been drained. The little fellow exclaimed, "Oh, mamma, it burns," and was soon dead in his mother's arms.

It is not known just what the deadly poison was, though it contained some carbolic acid.

IT WILL BE FINE.

All Are Looking Forward to the May Festival With Much Pleasure.

If you have never been to a May festival you have a splendid opportunity to attend the one this year. It is to be held at Salem on May 17, 18 and 19. This is the sixth annual festival of music given by the Willamette Valley Choral Union, of which the choruses of Albany, Eugene, Salem, Portland and Corvallis are members. The singers will number more than 100. The best soloists in the West will take part—Mrs. Rose Bloch-Bauer, Mrs. Etta Squires-Seley, Mr. Irving, M. Glen, Mr. J. W. Drew. These, with an orchestra of 25, composed of the best artists in Portland and Salem, will surely be a rare treat to lovers of music.

There will be three evenings of song. The first a miscellaneous program, and at the other two will be Miriam's Song of Triumph, The Lay of the Bell, The Golden Legend and Beautiful Willamette. The latter is a beautiful setting of Sam L. Simpson's poem, by Father Dominic, and dedicated to the Willamette Valley Choral union. The music rendered during the festival will not be so classical but what any one who is fond of music at all will enjoy it.

Everyone who appreciates good music, and plenty of it, should not miss this.

Mr. Francesco Seley will conduct the festival.

Excursion rates will be in vogue so that those at a distance can attend.

See or write Mr. Seley or Mr. C. D. Minton, Salem, Oregon, about tickets. Better get a season ticket and have a good time and plenty of it.

Treasurer Gets Money.
Sheriff Colbath turned over \$5370.62 to treasurer Richardson this morning, and the county exchequer is enriched thereby.

BATTED LIKE FIENDS

Pitchers Were Unable to Stop the Fireworks and the Fielders Went Some

Salem 11, Vancouver 6, tells the story of yesterday's game at Athletic Park. The weather was fairly good, not any too warm or dry, but several hundred enthusiastic lovers of the sport occupied seats in the grand stand and bleachers, or stood along the rail, during nine full innings and enjoyed the many good plays. The soldiers had blood in their eye, and landed hard on Lucas throughout the seven chapters that he occupied the central station. He said "hello" frequently, and Califf replaced him at the end of the seventh. It was not particularly the fault of the local southpaw, but he was simply up in the air, and his landing apparatus seemed to be out of gear. When Manager Fay concluded to make the change it was apparent to everyone that something was needed. "Noodles" took to the left garden like a good fellow, and covered as much territory as a Japanese army corps. He realized that it was his off day in the box and gave a big sigh of relief when he struck the sod in the out pasture. "Slats" Taylor "got his" all the way through, and he did not have the support behind him that the local tossers could boast of, but he was game, and faced the artillery with a smile on his kisser. Califf batted like a fiend, getting two doubles, both up against the fence, and McInnis swatted the horsehide for a long single, and poked the leather almost over the right field fence for a two-bagger. Harper made a long running catch that brought him a round of applause from the grand stand, and Johnson drew a twister in the fifth. "Happy Sl" Davis had more fun than anybody in the game, for "Slats" walked him three times, and he made first on a fielder's chance once, but he completed the circuit in the four events. The fans like a batting game, where the fielders get plenty to do, and they certainly witnessed that kind yesterday.

Manager Prebles has signed Siebles, of Portland, and he will be in the Sunday game, also Gaines, one of the best amateur players in Portland, to play first base. He has a bad bunch with the bat, and they biff the sphere with a vengeance.

The score today was:

DAN GROSVENOR SAYS:

"Pe-ru-na is an Excellent Spring Catarrh Remedy—I am as Well as Ever."

HON. DAN A. GROSVENOR, OF THE FAMOUS OHIO FAMILY.
Hon. Dan A. Grosvenor, Deputy Auditor for the War Department, in a letter written from Washington, D. C., says:

"Allow me to express my gratitude to you for the benefit derived from one bottle of Peruna. One week has brought wonderful changes and I am now as well as ever. Besides being one of the very best spring tonics it is an excellent catarrh remedy."—**DAN A. GROSVENOR.**

In a recent letter he says:
"I consider Peruna really more meritorious than I did when I wrote you last. I receive numerous letters from acquaintances all over the country asking me if my certificate is genuine. I invariably answer, yes."—**Dan A. Grosvenor.**

A County Commissioner's Letter.
Hon. John Williams, County Commissioner, of 517 West Second street, Duluth, Minn., says the following in regard to Peruna:

"As a remedy for catarrh I can cheerfully recommend Peruna. I know what it is to suffer from that terrible disease and I feel that it is my duty to speak a good word for the tonic that brought me immediate relief. Peruna cured me of a bed case of catarrh and I know it will cure any other sufferer from that disease."—**John Williams.**

W. E. Griffith, Concan, Texas, writes:
"I suffered with chronic catarrh for many years. I took Peruna and it completely cured me. I think Peruna is the best medicine in the world for catarrh. My general health is much improved by its use, as I am much stronger than I have been for years."—**W. E. Griffith.**

A Congressman's Letter.
Congressman H. Bowen, Ruskin, Pa., well county, Va., writes:
"I can cheerfully recommend Peruna as a valuable remedy. Peruna, to any one who is suffering with catarrh, and who is in need of a permanent and effective cure."—**H. Bowen.**

Mr. Fred D. Scott, Larue, Ohio, writes:
Guard of Hiram Foot Ball Team, writes:
"As a specific for lung trouble I use Peruna at the head. I have used it myself for colds and catarrh of the throat and it is a splendid remedy. It increases vitality, increases bodily strength and makes a sick person well in a short time. I give Peruna my hearty endorsement."—**Fred D. Scott.**

Gen. Ira C. Abbott, 903 M street, N. W., Washington, D. C., writes:
"I am fully convinced that Peruna is an excellent tonic. Many of my friends have used it with the most beneficial results for coughs, colds and catarrhal trouble."—**Ira C. Abbott.**

Mrs. Elmer Fleming, orator of the Boy's Club, No. 108, Northwestern, St. Paul, Minn., writes from 2335 Polk street, N.E., Minn.:
"I have been troubled all my life with catarrh in my head. I took Peruna for about three months, and now think I am permanently cured. I believe that for catarrh in all its forms Peruna is the medicine of the age. It cures when all other remedies fail. I can heartily recommend Peruna as a catarrh remedy."—**Mrs. Elmer Fleming.**

Treat Catarrh in Spring.
The spring is the time to treat catarrh. Cold, wet winter weather often causes a cure of catarrh. If a course of Peruna is taken during the early spring months the cure will be prompt and permanent. There can be no failures if Peruna is taken intelligently during the favorable weather of spring.

As a systemic catarrh remedy Peruna eradicates catarrh from the system wherever it may be located. It cures catarrh of the stomach or bowels with the same certainty as catarrh of the head.
If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
