Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and, unless the inflammation can be taken out, and this tube restored to its natural condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous services.

Ice at Pleasant Ridge.

Someone coming in from Pleasant Ridge brings the news that ice formed there Tuesday night, which will be hard on the fruit of that section. So far as can be determined no injury has resulted to the crop in this county because of the cold snap. However, it is next to impossible to determine at its present stage. Beside, early reports seldom turn out to be right. Reports of much damage being done come from the East, and our neighbors in Linn county and other valley counties are also unfortunate in that regard.—Dalles Chronicle.

Do It Today.

The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. Never trial bottles, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.

\$500 REWARD FOR WOMEN

WHO CANNOT BE CURED.

So uniformly successful has Dr. Pierce's Favorite Prescription proven in all forms of Female Weakness, Prolapsus, or Falling of Womb, and Leucorrhoea, that, after over a third of a century's experience in curing the worst cases of these distressing and debilitating ailments, Dr. Pierce now feels fully warranted in offering to pay \$500 in cash for any case of these diseases which he cannot cure.

IT STANDS ALONE.—The "Favorite Prescription" stands alone, as the one and only remedy for these distressingly common forms of weakness, possessed of such positively specific curative properties as to warrant its makers in proposing, and binding themselves to forfeit, as we, the undersigned proprietors of that wonderful remedy hereby do, to pay the sum of \$500 in legal money of the United States in any case of the above diseases in which after a fair and reasonable trial of our treatment, we fail to cure. No other medicine for the cure of woman's peculiar ailments is backed by such a remarkable guarantee; no other specific for woman's ills is possessed of the unparalleled curative properties that would warrant its manufacturers in making such an offer; no other remedy has such a record of cures on which to base such a remarkable offer.

Therefore, *trust* on having Dr. Pierce's Favorite Prescription and turn your back on any unscrupulous dealer who would insult your intelligence by attempting to foist upon you some inferior substitute, under the plea that "it is just as good." Insist on the article which has a record of a third of a century of cures and which is backed by those willing to forfeit \$500 if they cannot cure you. In cases attended by a leucorrhoeal drain a solution of Dr. Pierce's Lotion Tablets should be used conjointly with the use of the "Favorite Prescription." They are sold by all druggists, or sent post-paid to any address, on receipt of 25 cents in stamps. Send 3 cents in stamps for Dr. Pierce's Common Sense Medical Adviser. Address: WORLD'S DISPENSARY, Buffalo, N. Y. Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y. Dr. Pierce's Pellets cure biliousness.
