Children Great and Small Will Go to a Pony Show

growth of this typically western enterprise. For instance this season the owners of this now stupendous exhibition have enlarged their show to the proportion of a genuine two ring circus; adding circus novelties and special features from this country and Europe until it compares with the largest of all tented exhibitions. With infinite patience and love; with vast expenditures of money, gained by the encouragement of large audiences, appreciative of the increased size of the show each year, Messrs. Norris & Rowe have endeared themselves to our public. Though the show has increased tremendously in size, no greater admission will be charged as the owners are confident of gaining in the end by the increased patronage of a public who have always been generous to them. Aside from the trained animal exhibition which is always interesting to everybody, both young and old, many daring and sensational circus acts have been engaged from the principal circuses of Europe. Acres of snowy new canvas will house a city almost in itself and the public is assured a genuine surprise and keen enjoyment when Norris & Rowe give two performances at Salem, Wednesday, May 18. The grand spectacular street parade will be really a special attraction in itself this season. It will leave the show grounds promptly at 10:30 o'clock on the day of the performance.

ALL WOMEN

Who wish to retain or regain their health must see to it that functional regularity is established. This is an all-important question and the wise woman will resort to Hostetter's Stomach Bitters at the first symptoms of any derangement, because she knows it always gives prompt relief. Pains in the Back, Bloating, Vomiting, Headache, Indigestion, Dyspepsia, Fainting Spells and Sleeplessness are all danger signals which require the Bitters. Try one bottle.

HOSTETTER'S STOMACH BITTERS

THINKS WE ARE UNFAIR

But Forgets That There Are Hoodlums Everywhere

Ed. Journal: Would you kindly permit me through your valuable paper, to call the attention of the people of Salem to a gross violation of the law and common decency which occurred yesterday evening on our streets in broad daylight.

Two unoffending Mongolians, residing in the old building near the Council saloon, on State street were industriously carrying in armful of wood from a pile thrown near the curb on the streets. While thus engaged several hoodlums were amusing themselves by firing oranges at them from their hiding places among a crowd of chuckling onlookers standing in front of the Edison theater.

The Mongolians made no complaint, but quietly finished their work in the face of the cowardly and dangerous assaults and the absence of official protection.

Such conduct toward unoffending foreigners is un-American, grievous and a stigma on the law abiding reputation of our fair city. This is not the first time the hoodlum element has given open offense to Mongolians on our streets, who are making an honest living.

My observation and experience in foreign lands has shown me that American travelers and residents among foreign people are accorded the courtesy and protection to which they are entitled so long as they conform to the law and customs of the country. Certainly Americans cannot afford to be less magnanimous to foreigners among us. Such conduct as that exhibited yesterday evening is an open violation of the law against the person. It is deserving of legal punishment by our courts and of sharp rebuke by our people. OBSERVER.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and, unless the inflammation can be taken out, and this tube restored to its natural condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous services.

Lester Wanted Liberty.

Calvin Lester, who was under a working sentence at the city jail for being drunk and disorderly, was fixing the lawn yesterday afternoon when he was suddenly seized with the desire for liberty. He did not use the words of the immortal Henry, but, as actions sometimes speak louder than mere utterances, he acted. The result is that "Doc" Gibson and Recorder Judah are lonesome, but the city will be away ahead if Lester will keep going.

Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver--and all the fine spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower--the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. At Dr. Stone's drug stores.

"When I commenced taking your medicine, eighteen months ago, my health was completely broken down," writes Mrs. Cora L. Sunderland, of Charville, Calvert Co., Md. "At times I could not even walk across the room without pains in my chest. The doctor who attended me said I had lung trouble, and that I would never be well again. At last I concluded to try Dr. Pierce's medicine. I bought a bottle of Golden Medical Discovery," took it, and soon commenced to feel a little better, then you directed me to take both the "Golden Medical Discovery" and the "Favorite Prescription," which I did. Altogether I have taken eighteen bottles of Golden Medical Discovery, twelve of the "Favorite Prescription," and five vials of "Pellets." I am now almost entirely well, and do all my work without any pain whatever, and can run with more ease than I could formerly walk."
