

# WOMAN'S BELIEF CORPS

## Many Facts Concerning This Patriotic and Benevolent Order

The Woman's Relief Auxiliary to the Grand Army of the Republic is the largest beneficent and patriotic organization of women in the world, numbering now almost 150,000 members.

Organized in 1883, following a call by Paul Van Der Vort with a small band of charter members, it has grown to magnificent proportions in numbers and influence, and in the streams of bounty which have been poured out through the treasury in many deserving channels. The strongest and best women of the nation have been proud to have names upon its rolls. All loyal women are eligible to membership in the Woman's Relief Corps. Its aims and objects, as found in rules and regulations, are as follows:

To specially aid and assist the Grand Army of the Republic and to perpetuate the memory of their heroic dead. To assist such Union veterans as need our help and protection

and to extend needful aid to their widows and orphans.

To find them homes and employment and assure them of sympathy and friends; to cherish and emulate the deeds of our army nurses, and of all loyal women who rendered loving service to our country in her hour of peril.

To maintain true allegiance to the United States of America; to inculcate lessons of patriotism and love of country among our children and in the communities in which we live, and encourage the spread of universal liberty and equal rights to all.

This organization was the first to introduce the salute to the flag in the public schools and to make the observance of Flag Day general by preparing and carrying out suitable programs. There are two salutes to the flag taught in the schools, the one for the older scholars being: "I pledge allegiance to my flag and to the Republic for which it stands; one nation, indivisible, with liberty and justice for all."

The other is taught the younger pupils, and is "I give my head, my heart to God and my country, one country, one language, one flag."

The Woman's Relief Corps is a national incorporation and owns and operates the National Relief Corps Home at Madison, Ohio. It is in possession of the Andersonville prison grounds, which it has converted into a national park. Through its influence several states have placed monuments there, and every, and espe-

cially upon Memorial Day, it is visited by many.

For the year ending June 30, 1903, the national treasury has expended for W. R. C. home, \$2,722; for decoration of soldiers' graves in the South, \$1197.96; for the Kansas flood sufferers, \$800; for the McKinley memorial, \$1000; for relief, \$156,709.18.

The number of persons assisted has been 40,433.

In the organization there are 2906 corps. The total expenditure last year in the order amounted to \$30,587.35, and there are no liabilities.

Since the organization of the W. R. C. there has been expended \$2,504,365.23. To every loyal woman there is a hearty invitation given to join this band of earnest workers.

### Ready for Land Rushers.

Minneapolis, Minn., May 28.—Outward signs are abundant that a second Oklahoma rush will be witnessed at the coming opening of the Rosebud Indian reservation, in the southern part of South Dakota. Although the date of opening to settlers is more than a month distant, preparations are already making to provide transportation for the large crowds expected to take up the 382,000 acres. The people of Bonesteel, Platte, Fairfax and other towns adjacent to the reservation are getting together horses and wagons of all sorts to take care of the people who will start from those places. The officials of the railroads running nearest the reservation are in receipt of hundreds of letters daily asking information from prospective settlers and they are counting upon carrying at least 25,000 people on the day of the opening.

### Most Powerful Locomotive.

Schenectady, N. Y., May 28.—Engine No. 2400, built by the Schenectady plant of the American Locomotive company, for the Baltimore & Ohio railroad, will be taken next week to St. Louis where it will be exhibited as the most prominent feature in the transportation building at the world's fair.

The locomotive is the most powerful ever built. The design follows that of the Mallet compound used for heavy hauling. There are six pairs of driving wheels. Three pairs are under the forward end of the boiler and the remaining three beneath the firebox. The driving wheels are quite small, being 56 inches in diameter. The weight is 360,000. Preliminary tests conducted here go to show that the locomotive is 1 1/2 times more powerful than any other locomotive ever constructed.

### Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and, unless the inflammation can be taken out, and this tube restored to its natural condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for Circulars free. F. J. CHENEY, & CO., Toledo, O.

Sold by Druggists, 75c. Take Hall's Family Pills for Constipation.

### Monster Skat Tournament.

St. Louis, Mo., May 28.—Devotees of the great German game of skat are rounding up in the world's fair city for what promises to be the most notable tournament of the kind ever held outside the realm of the kaiser. More than a year ago the North American Skat league took the initiative in

a movement which had for its object the holding of a great skat tournament in St. Louis during the exposition period. Invitations were sent to clubs and individual players throughout the United States and Canada and a general invitation was sent also to the German skat league. The number of acceptances has exceeded the hopes of the promoters of the tournament. It is estimated now that no less than 2000 players will be on hand Monday to take part in the contests for the various prizes.

## An Alarming Case

### SEVERE TEST OF A BLOOD REMEDY IN ERYSIPELAS.

Dr. Williams' Pink Pills Banish Pain and Inflammation and Avert Peril From the Vital Organs.

Erysipelas or St. Anthony's fire is a most uncomfortable disease on account of the burning pain and the disfigurement and is attended always by the danger of involving vital organs.

The case which follows will be read with great interest by all sufferers as it affected the whole body, and refused to yield to the remedies prescribed by the physician employed. The victim, Mrs. Ida A. Colbath, of No. 19 Winter street, Newburyport, Mass., was in fact completely discouraged when she began the course of treatment which led to her recovery.

"In June of 1903," she says, "I was taken ill with what at first appeared to be a fever. I sent for a physician who said I was threatened with a dangerous and lingering sickness. He prescribed for me but his medicine had no perceptible effect. One day he pronounced my disease chronic erysipelas and said it would be a long time before I would be up and around.

"Inflammation began on my face and spread all over my body. My eyes were swollen and seemed bulging out of their sockets. I was in a terrible plight and suffered the most intense pain throughout my body.

The doctor said my case was a very severe one. Under his treatment, however, the inflammation did not diminish and the pains which shot through my body increased in severity. After being confined to bed for two months under his care, without any improvement, I decided to get along for a time at least without a physician.

"A few days after I had discontinued the services of a physician, a friend from Maine, who was visiting me, spoke very highly of Dr. Williams' Pink Pills for Pale People and, on her advice, I bought a box, but with little confidence that they could help me when a doctor had failed to do any good.

"I began to take the pills, however, two at a dose three times a day. After the second box had been used I was surprised to notice that the inflammation was going down and that the pains which used to cause me such agony had disappeared. After using six boxes of the pills I was up and around the house attending to my household duties as well as ever. I am profoundly thankful that Dr. Williams' Pink Pills were ever brought to my attention and am always ready to tell any one what they have done for me."

Dr. Williams' Pink Pills cure all diseases springing from an impoverished or vitiated condition of the blood, such as anaemia, rheumatism, scrofula. They make pale complexions ruddy and are the best tonics in all cases of debility. They are especially helpful to women whose health is so closely dependent on the state of the blood. They are sold by all druggists throughout the world.

## Women's Headaches

542 1-2 Congress Street. PORTLAND, MAINE, Oct. 17, 1902.

I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pain would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering agonies I usually did and soon became regular and without pain.

Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

*Mrs. Wilhelmina Snow*  
Treasurer, Portland Economic League.

Headaches are the danger signals of coming disease. Both men and women suffer headaches, but periodical headache falls only to the lot of women and is the warning sign of irregular menstruation and bearing down pains. Completely prostrated by nine months of suppressed menses, blinded by headaches and racked with pain Mrs. Snow was made a strong and healthy woman again. Remember with Wine of Cardui no case is hopeless because this great remedy cures permanently nineteen out of every twenty cases and never fails to benefit a case of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, try Wine of Cardui, and try it now. Remember that headaches mean female weakness. Secure a bottle of Wine of Cardui today.

All druggists sell \$1.00 bottles of Wine of Cardui.
