

### YOU MAY BE CURED

544 Garfield Avenue,  
Chicago, Ill., October 9, 1902.

After doctoring for eleven months and taking forty-three bottles of medicine and finding no relief for leucorrhoea resulting from irritation of a fallen womb I took Wine of Cardui and fourteen bottles cured me. This seems strange but it is the simple truth. Wine of Cardui helped me from the time I began taking it and having heard it praised so highly by friends who had tried it I felt satisfied that it would help me, and it did. It cured me. Took every bit of ache, pain and headache, cramps and dragging down sensations away till I felt young, strong and happy once more. It is a wonderful medicine and a true friend to women. When I look back on the months of torture I had it seems like a hideous nightmare. Wine of Cardui will cure any woman I believe. I have more faith in it than all other medicines combined.

*Francis Kingsley*  
Vice-Pres., Chicago Historical Club.

How can you refuse relief when you know you are growing worse day after day? Shooting pains, irregularity, inflammation and bearing down pains make thousands of women miserable. Why drag through life never enjoying anything? Wine of Cardui has made over 1,500,000 weak and suffering women well and strong. We ask you to go to your druggist today and secure a \$1.00 bottle of Wine of Cardui and begin to take it at once. Do that and the health Mrs. Kingsley writes about will soon be yours. If you think special directions are needed in your case, address, giving symptoms, Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn.

Col. Page has bought another fine farm north of town, making the investment of that kind to his credit. If he don't look out he will become a taxpayer, the first thing he knows.

County Chairman Murphy has made a very faithful captain of the forces in the county canvases. He has stayed with the job, been gentlemanly and vigilant of every part of the ticket.

Tom Kay has more than held his own for ability as a campaign scrapper. He has taken more hard blows than all the rest of the ticket put together.

What do good roads amount to compared to the triumph of prohibition theories even if they cannot be carried out. So let us carry the Local Option law and elect the Prohl, Mayor of Woodburn county judge. Vote for Corby and Local Option. Down with the Republican cry of good county government and better roads. Give us plenty of theories and candidates with wheels.

Uncle Johnny Minto, who has been a Republican for many years, and has raised some good Republicans, advises the boys to vote down the local option bill next Monday, as he says it is a blow at human freedom.

Local option, direct primary and the state printer amendment should all be voted down. The two former are iniquitous and the last named is known to be unconstitutional.

Several bottles of Salem water went through Albany this noon for the O. A. C., to be examined, probably to disprove the reports of microbes in the drinking water of that city. Wonder what will be found—Albany Democrat. Manager Schmidt expects to do a large business in Linn and Benton counties with his improved brand of "Salem water." No microbes.
