

LOCAL OPTION RALLY

Several Speakers Opened a Two Days Campaign Last Evening

The local option supporters held a rally at the Methodist church last evening. About 120 voters and perhaps 50 women were present and listened to addresses.

Rev. G. L. Tufts, president of the Oregon Anti-Saloon League, was the first speaker, and his principal topic was the abuse of papers opposing the passage of the so-called local option bill. He said that the Anti-Saloon League had purchased 15,000 copies of the Portland Journal to circulate

before the election, and also 40,000 copies of the local option pages of that erratic sheet, 2000 being allotted to Salem for distribution. He asked all church members to co-operate with the league in the distribution of the literature, and told of the plan of the organization. The local optionists will have one man in every voting precinct in the state on election day, and in many there will be more, who will look after the voters, and see that a large vote is polled.

The W. C. T. U. will assist in many towns and cities where they have organizations, and will have free lunches and other attractive morsels to place the humble citizen in a miserable frame of mind.

The brewers and wholesale liquor dealers, he said, were raising \$75,000 to fight the bill, and that was proof that it was feared by them.

Dr. P. A. Baker, of Columbus, Ohio, was the main speaker of the evening, and he did not dwell very long on local option or prohibition, but confined his talk chiefly to political campaigns

in Ohio, where he laid claim to many victories. His speech was of the inspiring order, made to convince people of his infallibility in the political arena.

He advised the voters to bolt their tickets wherever they thought best, and was on the independent, prohibition, third party order. He laid claim to the defeat of 76 Republican senators and representatives in Ohio, who were entitled to re-election, solely on account of their stand on the prohibition question. His mixture of church and state were very evident, and his denunciation of men and papers who opposed the Anti-Saloon League were in very scathing terms.

He told of a boycott against the Columbus, Ohio, Citizen, because it published an article against local option, and how the advertisers had forced the editor to change an editorial in that paper, and said that in five years it would be that way in Oregon.

The Anti-Saloon League, he said, was born in a little Ohio church, the very same one that furnished the first company for the civil war. He told of the freeing of a negro slave boy, and how the North would have seceded from the Union had it not been for a court decision.

He reviewed the work of local option in Ohio, and said that out of 1371 townships in the state, over 900 had abolished the saloon, and that within three years there was a good prospect of doing away with the remainder. The many trials encountered by the local optionists in their endeavor to pass the bill through the Ohio legislature were recounted.

He asked how many were in the audience from Ohio, and when only three or four held up their hands he said that he was disappointed, and pitied the other folks. They were probably from good Eastern states, like Indiana or Illinois, close at hand, but did not explain why he was not at work in those places, instead of Oregon.

He said that in the city of Cleveland, Ohio, in the campaign of 1896, there were over 100,000 foreigners who were voters, and that the Republicans and Democrats held voting schools every evening to instruct the voters how to vote. They looked at the party emblem, and then went into the booth and voted for the eagle, or some other thing, instead of the men. His slurring remarks on the foreigners were somewhat uncalled for.

At the close of the lecture cards were passed around to pay the expenses of the speaker and other incidentals, and the meeting closed with out much hurrah.

Other meetings were held this morning, afternoon and evening in the Methodist church and addresses were made by the same speakers.

NATURE TELLS YOU.

As Many a Salem Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills.

Hundreds of people testify to this. Mrs. Wm. Rainwater, wife of Wm. Rainwater, employed in Veal's chair factory, residing at 903 East First street, Albany, says: "My kidneys troubled me off and on for eight years. Every time I contracted a cold it settled in my kidneys, causing my back to ache often so badly that I could hardly get about to attend to my household duties. Accompanying this was a very annoying and distressing difficulty with the kidney secretions. I was treated by physicians and took a number of highly recommended remedies but the relief I obtained was only temporary and I was about discouraged. Finally I read an advertisement about Doan's Kidney Pills and got a box and began their use. I expected some relief, of course, but to my surprise they went quickly to the root of the disease and I had no more trouble until recently I felt symptoms of a recurrence. Doan's Kidney Pills are the best kidney medicine I have ever used and I have recommended them to my neighbors."

Plenty more proof like this from Salem people. Call at Dr. Stone's Drug Store and ask what his customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

BAD BLOOD

Reveals itself in many ways. Sometimes the impurities in the blood mark and mar the skin with blotches, pimples, boils or other eruptions. Sometimes the result of bad blood is rheumatism or a debilitated condition which is popularly described as "feeling played out, hardly able to drag myself around."

The impurities and poisons which corrupt the blood, clog the liver and cloud the skin are removed by the use of Doctor Pierce's Golden Medical Discovery. It does more than eliminate the poisons; it increases the activity of the blood-making glands so that there is an increased supply of pure, body-building blood. It brightens the eyes, cleanses the skin, and gives new, physical energy.

Accept no substitute for Dr. Pierce's Golden Medical Discovery.

"I thank God for the good your medicines have done me," writes Mr. James M. Sizemore of Mitchell, Lawrence Co., Ind., Box 301. "I was not well for two years. My throat was always sore, head ached and back ached nearly all the time. My weight was 155 pounds. I was taken sick with typhoid fever, and when the fever left me I had such a pain in my left side I could not breathe without pain. I thought I must die. My wife went to the drug store and procured a bottle of Dr. Pierce's Golden Medical Discovery and a vial of his 'Pleasant Pellets.' I discontinued the use of my doctor's medicine and began with the 'Golden Medical Discovery' and 'Pellets.' I at once began to feel better; the pain soon left my side and I could breathe with ease. In a week or so I felt so good I could not stay in the room. I began to walk about the streets; I felt better each morning. After a month's use of the medicine I was well. That was over a year ago. Now I weigh 184 pounds and feel better than ever in my life."

Dr. Pierce's Pleasant Pellets cure constipation.
