

POLK COUNTY POLITICS

As Set Forth by the Dallas Observer, Republican

The newly-hatched Republican campaign managers are busy circulating reports that prominent Republicans in the various precincts who were not satisfied with the course pursued by the recent convention have lain down and are now willing to follow the new leadership. These managers know this is not so, but they are in such dire straits that they are now catching at straws like drowning men. For instance, they will go to Independence and tell that everybody is working with them in Dallas, and then come back to Dallas and report that the Republicans in Independence are all lining up with them in good shape. Pretty soon some Dallas man who is opposed to their methods will meet an Independence man who is likewise opposed, and, after comparing notes, each will find that there has been no change of sentiment in either town. The fact of the matter is, there has not been a single change of importance in either town or in any precinct in Polk county since the Republican convention two months ago.

The campaign this year differs from any that has ever been held in Polk county before. Men whose loyalty to the Republican party is beyond question are sick and tired of this mugwump leadership and refuse to

be whipped into doing the will of a few would-be bosses who are in the party only for what they can get out of it. They are tired of the tricking and trading that has brought the Republican party one defeat after another, when victory might as well have been written upon its banners. These men have fought honestly and earnestly for the success of the Republican ticket in past campaigns only to be tricked out of it at the last moment by a little handful of selfish men who caring nothing for the welfare of the Republican party. Honest Republicans all over the county have become completely disgusted with the continued trickery of these men, and it required only the arrogant conduct of a few cheap bosses in the last convention to cause them to decide that now, if ever, is the time to bring these bosses to their senses by giving them a dose they have so long deserved. The minds of these Republicans are now made up, and no amount of pleading and begging can change them. The time has come for a reckoning, and a reckoning will be had. Vain is the effort of a few self-constituted leaders to cry and wheedle these workers into forgiving a wrong for which there was no earthly excuse in the first place. The men who counseled harmony and good-will and the best interests of the party in the county convention are not in a forgiving mood this year and will not lightly pass over and condone the slights and insults heaped upon the minority in that convention by the leaders of the victorious faction.

Not all of the men who participated with the majority in the Republican convention are to be held responsible for what occurred. There are many Republicans who are in nowise to blame for the course pursued by the convention leaders. There are no differences to hear in the rank and file of the party, and no trouble will be reached in getting together on a common ground two years from now if a few upstart bosses are laid on the shelf in this election. There is nothing the matter with the Republican party as a party in Polk county, but it will never be in a shape to reap victories for the whole ticket until some of these selfish schemers are buried too deep for resurrection. That is just what the party intends to do next Monday.

Killed Near Cottage Grove.

A dispatch from Cottage Grove says: A man by the name of Wyatt, who has been in the employ of the Booth-Kelly Lumber Company, at Saginaw, three miles north of this city, was run over by the northbound overland and killed Sunday morning. He had been in the city, and started for Saginaw about 2 o'clock in the morning, and was supposed to have been under the influence of liquor and went to sleep on the track. The engineer did not see him until too late, and the train ran over him, severing his head, one limb and one arm from his body. The train was stopped and the coroner at Cottage Grove immediately notified.

Very Annoying to Some People.

People that are known to be weak and sickly, by their neighbors, are asked the question every day whether they are feeling better. Do you feel stronger? Are you gaining flesh? Their friends know if they are gaining flesh, it is one of the sure signs of returning health. If they can only get a remedy that will make solid flesh, recovery is assured. People with nervous troubles, loss of flesh and strength, no ambition, languid, and always tired, have thin watery blood. The food they eat does not nourish them, it does not make blood. If after each meal they would take Dr. Gunn's Blood and Nerve Tonic, their food would be turned into rich, red blood, making solid flesh and strength. The tablets are sold in boxes by all druggists for 75 cts. or 3 boxes for \$2. People who use this tonic gain in solid flesh from 1 to 3 lbs. per week, they feel better and know they are on the road to health.

For sale by Dr. S. C. Stone, druggist.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water? If you did what would you say of him? It is every bit as foolish to try to get rid of Dandruff and to prevent Baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Vigors. Newbro's Herpicide is successful because it attacks and kills the parasitic germ which feeds on the hair roots. It is the original and only genuine scalp germicide manufactured. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
