RAINS
WERE
TIMELYOfficial Crop Bulletin Gives
Good Reports of Grow-
ing Grain

The rains during the fore part of the week were timely and very beneficial, but in the Willamette valley and a few other localities more rain is needed for late crops and meadows.

Fall wheat and barley are heading nicely, and the frosted wheat in matilla county is improving, and will probably turn out better than expected. In Wasco county there are numerous complaints of weedy fields, but the fall grain crop as a whole is very promising. The alfalfa harvest is progressing, and rye is being cut for hay, the yield in both cases being above the average.

Ranges and stock are in excellent condition, and the flow of milk in the Dairy districts continues good. Orchard grass, vetch and clover will be ready to cut in about 10 days. Hops, corn, potatoes and gardens have made good progress during the week. The hop yards apparently are free from vermin, and the vines look promising.

Strawberries are plentiful, and their quality is extra good. Cherries are ripening, and, while they have suffered considerable damage from frost and cold rains, the yield will be larger than expected earlier in the season. Italian prunes will be the lightest in years. Peaches promise fairly good returns, and apples are extra good. In the coast counties, and in some portions of the Willamette valley, caterpillars are more numerous than usual.

SHORT & MILLOY, Detroit, Ore.

A woman worn-out, who never has to lift a hand for herself, who does not know the meaning of the word "worry"! How can it be possible? That it is possible is proved by the experience of many a woman who, because of sleeplessness, nervousness, headache and other womanly ills, becomes an utter physical wreck.

Dr. Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. It establishes regularity, dries unhealthy drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"I suffered for five years with inflammation which caused violent pain and often torture so bad at times that I could not be about to attend to my daily duties," writes Mrs. Julius C. Bell of Bathurst, Kingston, Ont. "Life was simply misery to me and I did not know which way to turn for relief. Had tried doctors but found to my regret that after the use of the first bottle I felt so much improved I decided to take another and after that a third bottle, I have good reason to be pleased, for I am to-day a well woman, work is easy and the world looks bright. I have perfect health, thanks to your medicine."

Sick women are invited to consult Dr. Pierce by letter, free. Address Dr. R. V. Pierce, Buffalo, N. Y.

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.
