The names of the deceased were as follows: H. G. Smith (suicide), Katie L. Gard, John Every, John H. Minchin, Jim Long, Alice McKenzie, Henry Kles, Alice A. Edmunds and Jepper Hansen.

Mrs. C. W. Rockwell has petitioned the governor to be released from the asylum. She says that she came from her home in Colorado a year ago to visit her son, and was confined in the asylum without any cause, and if she has transgressed the laws of Oregon she did not know it, and prays for pardon.

Governor Chamberlain is in receipt of a letter from Governor McBride, of Washington, in answer to the governor's letter regarding the sending of Washington insane persons to Oregon, in which he says he is indignant to hear it, and that he will at once investigate the matter.

Paid for His Conduct.

Last evening considerable excitement was raised on the streets by a young man and two girls, who were driving at break-neck speed on the public thoroughfares. The police did not happen to be in the immediate vicinity, but, after the parties had made several trips down the street, whipping the horse and making considerable noise, the owner of the rig made his appearance and took charge of the outfit. The horse was soon in the livery stable where he belonged, and the young man gave the stable man \$5 for his few minutes' misconduct.

The names of the parties could not be learned, in spite of diligent search and inquiry. A good-sized fine for cruelty to animals would about fit the case.

Mark Twain's Kindness.

Miss Marguerite Flower, a little blind girl at the Oregon State Institute for the Blind, read the story by Mark Twain, entitled "Prince and Pauper." She was so pleased with the story that she wrote the distinguished author, at New York, her appreciation and expressed the hope that he would write another equally entertaining for little children. Her letter was forwarded to the author at Florence, Italy, and under date of May 17th, he replied as follows:

"Dear Miss Marguerite: I will keep the matter in mind, and bye and bye I hope—I will see if I can manage it. Truly yours, Mark Twain."

Gored by a Bull.

Ed. Hahn, for many years employed in handling Jersey stock for D. H. Looney, was knocked down and badly gored by a bull this morning on the Looney place. He was knocked down and struck several times before he could be rescued from the infuriated animal. Mr. Looney rushed across the street and probably saved Mr. Hahn's life. As it was Hahn was badly lacerated, receiving a bad gash in the thigh, and several ribs are reported broken, and it was thought one arm. Dr. Hawk was sent for and attended the unfortunate man.

ANOTHER WONDER OF SCIENCE.

Biology has Proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam lived, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newbro's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality, causing itching scalp, falling hair, and finally baldness. Without dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

It Is Up To The Doctor.

A lady wrote us from Winchester, Va., that she had been under a doctor's care for 4 years for dyspepsia, the pain appeared to center under the left shoulder blade, was so severe at times that she could neither eat nor sleep. She had lost faith in her home doctor, and asked us to send her sample of Dr. Gunn's Improved Liver Pills which had been recommended to her. We sent her two pills, in a few days she sent for a box. Now she writes that the pain under her shoulder has left her entirely, she enjoys her meals and never sleeps less than 8 hours every night, and this has all come about in 2 weeks, and cost her 50 cts. for two boxes of pills. Says the doctor charged her \$50.00, and that she told him he had better take the \$50.00 and invest it all in Dr. Gunn's Improved Liver Pills and build up his practice. Sold by druggists for 25c per box. Any one having dyspepsia, bilious spells or sickheadache can get a speedy cure by the use of these pills.

C. P. BISHOP, Prop.

Do it today.

The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.
