Albany Divorce Case.
Evelin Schmeer has commenced suit for divorce against Robert W. Schmeer. They were married in Portland March 21, 1900. Cause assigned cruel and inhuman treatment, etc. The defendant is cashier of the United States National Bank of Portland, and is worth \$12,000 or \$15,000, and receives \$200 per month, and the plaintiff is now a resident of Albany. Permanent alimony of \$50 per month is asked for. G. W. Wright attorney.

Eugene Has Released O'Day.
Willie O'Day, right fielder, has been released by the local management, but he was at once signed by Albany, and he left for that city today. O'Day has not been doing the work expected of him lately, and as the rules of the league require that the teams shall now consist of only 11 men, he was released. The Blues now have four pitchers, Somers, Schofield, Nefzger and McFarland, one of whom will be played in the outfield all the time.—Eugene Guard.

MILITIA CAMP AT LAKE

Great Preparations Are Being Made for the Soldiers

A special from Tacoma says: Plans are rapidly assuming shape for the grand encampment, beginning July 7th, of the National Guards of the three Northwestern states, and the regular army of the various posts. General Chaffee has accepted the invitation of General Funston to be present.

Captain Grant, of the quartermaster's department, has made arrangements for a site for the construction of a number of buildings. Water-works are to be installed and warehouses built for quartermaster's supplies.

Arrangements have been made for the use of lands at old Fort Nesqually, at the foot of American Lake. This was the site of the first Hudson Bay post in this part of the country. After the "Oregon" territory passed out of the jurisdiction of the company, Edward Huggins, formerly a factor of the company, became an American citizen, and secured control of the lands. He has leased them to the government.

The press associations will construct a special booth upon the grounds, and many of the leading journals of the United States have inquired of the chamber of commerce about local accommodations and the lay of the land, with a view of having special representatives present.

The ground is an ideal place for the maneuvers of large bodies of troops. A lake several miles long is surrounded by a prairie miles in extent, rolling and with a sandy, gravelly soil and dotted with clumps of scrub fir. It is open enough to allow the free movement of troops and artillery pieces, yet protected in such a manner as to hide the operations of opposing forces.

DuShane Has Resigned.
Frank DuShane has resigned as manager of the Eugene baseball club of the state league. This is a voluntary action on his part, and is done in the interest of economy in club affairs. There will probably be a small deficit at the end of the season, and Mr. DuShane figured that, with his salary cut out, it would help reduce this deficit materially.

The team is now in good running order, and under the guidance of Captain Terry McKune and the directors of the club, they are bound to win their share of games, and the prospects are good for winning the pennant.

DuShane is a first-class baseball manager, and the fans all regret that he retires from the management of the team. The directors, at a recent meeting, expressed themselves as entirely satisfied with his work. He will not leave Eugene, however. As general agent of the United States Fidelity Adjustment Company, of Chicago, he will establish his office and become a permanent resident here.—Eugene Guard.

Will Explore Lake County.
At the request of Senator Mitchell, a reconnaissance party will proceed, late in June, to make an investigation of the central part of Lake county, Oregon, with a view to ascertaining whether there is a feasible location for the construction of a large irrigation work by the government. Senator Mitchell describes this district as having a fine climate where cereals, fruits and vegetables that are cultivated in any part of Oregon grow abundantly, and where there is a large body of fine agricultural land.

The Chewaucan river, which flows through this section, is reported to furnish an ample water supply for the reclamation of nearly, if not all of these lands. It has been reported to Senator Mitchell that reservoir sites can be secured to hold the flood water along the stream. As Lake county has contributed largely to the arid land fund, citizens of the district are exceedingly anxious that this project shall receive early consideration.—Lakeview Herald.

WILL MEET IN OREGON

Woman's Foreign Missionary Society Decides to Visit the Coast

The national convention of the Woman's Foreign Missionary society of the United Presbyterian church will meet next year in Albany. The convention has just closed its 1904 session at Bloomington, Ind. Pittsburg made a great effort to secure the convention next year, but, on account of the 1905 fair, it was decided to come to Oregon.

Last year, when Mrs. Gibson went to Allegheny, Pa., she bore the invitation of Oregon societies to meet on the coast next year, and at Bloomington the invitation was repeated.

The convention brings together several hundred of the most prominent missionary workers of the United Presbyterian denomination. The sessions commenced about the middle of May and last for a week.

Eastern Star Meets.
The grand chapter, Order of Eastern Star, will convene in Portland Monday, Tuesday and Wednesday, June 13 to 15. Day sessions will be held in the Selling-Hirsch building, and evening meetings at the Masonic Hall, Third and Alder streets.

The session Monday will open at 9 o'clock a. m. The grand officers will give their reports and business will be transacted. In the afternoon, from 3 until 5 o'clock, a reception will be held for grand officers and delegates. In the evening the beautiful and impressive Chapter of Sorrows will be held, this being the memorial service.

On Tuesday business will be resumed and election of officers take place. In the evening the work of the Eastern Star will be exemplified. The meeting Wednesday will be devoted to miscellaneous business and completion of reports.

The worthy grand matron, Mrs. Claud Gatch, of Salem, will preside at the sessions.
