

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

HONOR DEAD VETERAN

Col. Hawkins of the Pennsylvania Regiment Remembered

Pittsburg, Pa., June 11.—With impressive ceremonies Pittsburg this afternoon unveiled a handsome bronze and granite monument in memory of Colonel Alexander Le Roy Hawkins and the soldiers of the 10th Pennsylvania regiment who died in the Philippine campaign. There was a big parade of the civic and military organizations of Pittsburg and the Grand Army and Spanish war veterans of Western Pennsylvania. The principal address was delivered by Clarence Burleigh, Governor Pennypacker accepted the monument from the Hawkins Memorial association and formally turned it over to the city of Pittsburg. The monument occupies a commanding eminence in Schenley park. It was erected at a cost of \$20,000, which sum was appropriated by the state. The bronze monument of Col.

Hawkins, surmounted a handsome granite pedestal, represents the veteran of the civil war and the Philippine campaign standing erect, clad in the great army coat, his hands resting on his drawn sword. On the pedestal are the names of all the soldiers of the 10th regiment who died in the Philippine campaign.

The 10th was the only regiment of citizen soldiers east of the Mississippi to participate in the Philippine campaigns. It was one of the dozen regiments which could have returned sooner than August of 1899, but which remained in the islands until that time at the earnest request of President McKinley in order that the Government's plans might not fail. Upon the return of the regiment President McKinley came to Pittsburg to personally welcome the tattered veterans. Col. Hawkins, commander of the regiment, died on shipboard in mid-Pacific while en route from the Philippines to San Francisco.

Political Chatter. John W. McCulloch, formerly of this city, was elected district attorney of the eighth district by a large majority, at the recent election. His many friends congratulate him on his success, and know that he is deserving of all the honors heaped upon him.

Everybody in Salem knows Henry Sonnemann, the State-street groceryman of yore, and many of his best friends have often wondered why he buried himself in the uttermost recesses of Cow Creek canyon, when he had such a fine business and home in the Capital City. Many knew that he was making money down there hand over fist, and now possibly the rest will appreciate the situation in the light of recent events. He was recently nominated for the legislature on the Republican ticket, without solicitation on his part, and elected by 450 majority, when the party ticket carried by only about 250, and the candidate for state senator was defeated. In addition to these high official honors, Henry was presented with a 10-pound buy a few days before election, and surely his cup of joy must be running over. Hundreds of loyal Salem friends extend congratulations, and will be glad to see their old friend in Salem next winter.

Very Annoying to Some People. People that are known to be weak and sickly, by their neighbors, are asked the question every day whether they are feeling better. Do you feel stronger? Are you gaining flesh? Their friends know if they are gaining flesh, it is one of the sure signs of returning health. If they can only get a remedy that will make solid flesh, recovery is assured. People with nervous troubles, loss of flesh and strength, no ambition, languid, and always tired, have thin watery blood. The food they eat does not nourish them, it does not make blood. If after each meal they would take Dr. Gunn's Blood and Nerve Tonic, their food would be turned into rich, red blood, making solid flesh and strength. The tablets are sold in boxes by all druggists for 75 cts. or 3 boxes for \$2. People who use this tonic gain in solid flesh from 1 to 2 lbs. per week, they feel better and know they are on the road to health. For sale by Dr. S. C. Stone, druggist.

The Right Kind of Spring Tonic. This is the time of the year that the patent medicine people say every one needs a tonic. G. W. Johnson & Co. declares in his advertisement elsewhere in this issue that there is no tonic in 40 drug stores that can equal a new suit of clothes that fits perfectly and becomingly, and is substantially made of good materials. This house sells the art-tailored product of Schloss Bros. & Co., "The Best Clothes Makers" of New York and Baltimore.

Notice. It is now against the ordinance of the City of Salem, Oregon, to erect, or maintain, barbed wire, or barbed wire fencing along the line of any street or alley within the corporate limits, and notice is hereby given to all citizens to immediately remove such wire under penalty of said law. Ten days from this date prosecutions under said ordinance will be made in this relation. Dated June 1, 1904. H. C. TARPLEY, Street Commissioner.

New Desk Cabinet. The Willamette Hotel has added a fine new desk cabinet to the office furniture. It is a fine ornament, besides being very useful. Mr. Conner is always on the lookout for conveniences that will tend to make his guests more comfortable.

Attention, Neighbors. The members of Silver Bell Circle are requested to meet at their hall on tomorrow, June 12th, at 3 o'clock, to go in a body to decorate the graves of their deceased members. C. Bushnell, G. N.

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

The Vice-President Independent Order of Good Templars. An experience which many women have related by Miss Agnes Stebbings, of 221 East 9th Street, New York City, as follows: "I had very poor health for a year until life looked dark and dreary to me. Had headaches, backache, also pain, my sleep was broken and fitful, I longed for health. Tried several medicines but none were of any lasting benefit until I took Doctor Pierce's Favorite Prescription. I soon realized that I had found the right remedy. It helped nature to throw off the poisons that saturated the system, removed all pains and strengthened the digestive organs, and brought the roses of health back to my cheeks. This medicine if taken occasionally keeps the system in perfect condition, helping it to throw off the disease and consequences of exposure to dampness. I am pleased to give it my endorsement."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 21 one-cent stamps for the paper-covered book, or 31 stamps for the cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.
