

DREW'S NOTE FAILED TO HAVE EFFECT

Cigar and Confectionery Stores Remained Open All Day Sunday as Usual

Large Crowds of People Discussed the Move--Other Developments Looked For

Sunday was a dry day, as far as Salem was concerned, even the old pump going on a strike, evidently in sympathy with the other liquid dispensaries.

The cigar and confectionery stores remained open throughout the day, although they fully expect to be before the courts, charged with violating an obsolete section of the Oregon code.

Large crowds of people were on the streets during the day and evening, and the principal topic of discussion was the letter mailed by Prof. Drew, as first told in Saturday's Journal. Men, women and children visited the business section of the city, apparently just for the purpose of watching the fun, and to see if the extremists would proceed against the cigar and soda water men.

The raids failed to materialize, and business had settled down to its accustomed channel before many hours of the bright, cheery Sabbath had passed.

What Will Happen Next?

The question in everybody's mind appeared to be whether Prof. Drew would carry out the suggestion made in his letter by swearing out warrants for the offenders. All the dealers said frankly and flatly that they believed they had a right, morally and legally to conduct their business, as they had in years past, and were so solid in this conviction that they did not hesitate to keep wide open. The question that is uppermost today is whether Prof. Drew expects to swear out warrants for these offenders, or otherwise take steps to have them prosecuted. Up to noon nothing had been done, and many were anxiously awaiting developments. One fact is well established, Prof. Drew is the best advertised man in Oregon, and seems to be completely in possession of the facts of the case, and the program that he is back of is known to a few persons besides himself. Some members of the Law Enforcement League insist that he is not tak-

ing these steps in behalf of that organization, but that he is doing it in his own name and on his own responsibility.

The report was current this morning that three drug store proprietors would be arrested for selling liquor, and that substantial witnesses could be found to prosecute them, but nothing has developed as yet. The statement is made that several saloons were open yesterday, just as they had been on Sundays in the past, and warrants are expected for their arrest, but have not yet appeared.

RUSSIAN TALE OF WOE

Two Thousand Troops Who Retired From Tsaitchow

New Chwang, June 13.—Two thousand Russian infantry passed through New Chwang Sunday, from Kaichow, accompanied by ambulances filled with wounded. The troops were exhausted after a long forced march. An officer said they were retreating from Tsaitchow. The Russians have abandoned positions 80 miles south of New Chwang.

Conditions at Port Arthur.

New Chwang, June 13.—A Chinaman, in the Japanese spy service, has just returned from Port Arthur, and says there are 30,000 men there, with many sick and wounded. The food is sufficient for two months. The hope is that Kuropatkin will send his army south. A flour mill grinding a cargo of wheat brought from Seattle in a French ship.

Boiled Down.

Rumors are persistent of a fight near Port Arthur. Michael Davitt, who is at St. Petersburg on an investigation of labor conditions, states that the stories abroad that the Russian masses are against the war, and that revolution is pending owing to public discontent, are untrue. Workmen wherever Davitt went they were confident Russia will win in the end.

Scottish Rite Reunion.

The 10th annual reunion of the Scottish Rite Masons will be held in the new cathedral of the order at Portland tomorrow. A large number of the Salem fraternity will attend, and the 21st degree team, of this city, will give the work in that degree tomorrow morning at 11 o'clock. The members are: Albert H. Steiner, Milton L. Meyers, F. K. Lovell, F. T. Wrightman, W. H. Byrd, H. H. Olinger, E. A. Pierce, George H. Burnett, George G. Bingham, F. W. Steuston, George G. Brown and Hal D. Patton. The new cathedral is one of the finest furnished Masonic buildings in the country. In the evening a grand ball will be held.

South Salem Fire.

The home of Lewis Ralph, on the slough road, burned this afternoon, and is a total loss of several hundred dollars. Mrs. Ralph made a fire of chips to get dinner, and the house caught from a defective pipe, there being no chimney in the house. The family saved but little of their clothing or household goods.

COLORADO MINERS QUIET

Sunday Passed Away Without a Riot

Cripple Creek, Colo., June 13.—The situation in this district this morning is practically normal. Authorities, both civil and military, expect no further trouble. Another batch of unionists will be deported tomorrow, and this will wind up the military's campaign of driving men from the district. Tomorrow the mine owners will issue a statement defining their position regarding unionism in this district. It is expected a ban will only be placed on the Western Federation of Miners, and any other organization to which metalliferous miners belong. The troops will probably be withdrawn from the district this week. Nearly all the mines which closed Monday last, after the independence explosion, resumed operations this morning. Portland, Pride, Cripple Creek and numerous leased mines, which are manned by union men, will not be allowed to resume as long as the soldiers are here.

Organized labor in Chicago, through its central body, the Federation of Labor, has appealed to President Roosevelt to send federal troops into Colorado. The contention of the Federation was that the miner's lives were in danger, and it denounced what it termed "the lawless crusade of the military authorities of Colorado against organized labor in that state."

When the Portland mine resumes it will be found that all union miners have been forced to leave the camp, thus forcing the company to employ non-union help, or remain closed indefinitely. General Bell, in a statement of his action in deporting the

JAP GENERAL SUPPORTED

Russian Victory Not as Great as Reported

Seoul, June 13.—Twenty thousand men have been sent to reinforce General Kuroki, who is still thought to be at Feng Huang Cheng. He has pushed his advance guards among the hills. It was these forces Saturday, at Motlieng pass, that encountered the Russians, who withdrew, leaving and officer and six soldiers dead. The Japanese lost an officer and three men. Kuroki's plan seems to be to deliver an attack on Liao Yang simultaneously east and south.

SAW MRS. EDDY.

Several Thousand Went by Specials to Pleasant View.

Concord, N. Y., June 13.—Several thousand Christian Scientists attending the Boston meeting of the mother church, came here today, by three specials, to visit Mrs. Eddy at Pleasant View. They were not permitted to enter the grounds. Later the faithful saw Mrs. Eddy as she took her afternoon drive, and gave her the Chauqua salute.

Official Count of Votes.

The official count of votes in Marion county is proceeding slowly, and will not be completed before Thursday night. Justices C. N. Crittenden, of Hubbard, and C. W. Youngren, of Silverton, are assisting County Clerk Roland. Very few errors have been found in the unofficial returns, and they are very slight. In Aurora precinct J. G. Graham lost five votes, but the majorities in all instances are sufficient that changes will not affect the final result.

RUSSIANS SUFFER DEFEAT

Fall Into an Ambush and Then Make a Retreat

New Chwang, June 13.—It is reported that the Russians have suffered a severe defeat as the result of an ambush at Pulanben (Pulientien) to the rear of Port Arthur. The Japanese attacked the Russians, and drew the latter on by a feigned retreat. The Russians were trapped, and are said to have lost 800 men killed and wounded. The Russians then fell back on Kai Chow.

MOB CHASES DOWIE.

Apostle Holds Three Services in London Tabernacle.

London, June 13.—All day Sunday crowds were in the vicinity of Zion Tabernacle, on Euston road. John Alexander Dowie arrived at 10:30 o'clock and remained at the Tabernacle throughout the day. Three services were held, but the attendance was confined strictly to ticket-holders.

Toward 9 o'clock Dowie ventured to leave the building with his wife and son, and the long-awaited mob, with frantic shouts, dashed after the cab, while reporters, in hansoms, joined in the chase over a circuitous route to the Hotel Cecil. It is said that Dowie obtained rooms at the hotel, withholding his name, but that he will be requested to leave.

One more Citizen.

Anoton Schmidt, a native of Germany, renounced his allegiance to Emperor William this morning, and hereafter will be an American citizen.

KILLED IN A HANSON CAB

By a Woman With a Gun and a Handsome Gab

Patterson, N. J., June 13.—When told of her indictment by her lawyer, Alice Levy Patterson collapsed, and seemed about to fall, when Levy caught her. Coroner Jackson hastened to the woman's side and administered stimulants, when Mrs. Patterson revived sufficiently to be led back to the tomb. Jackson said that the young woman gave way temporarily under the strain, but her illness was not of a serious nature. Her arraignment, before Judge Newberger, was delayed because of her illness. The trial cannot take place before September. Meanwhile, she must remain a prisoner in the Tomb.

The coroner's inquest into the death of Young was held this morning. After hearing the testimony of Dr. Edwin N. Riggins, of the Hudson-street hospital, who attended Young, and Dr. Phillips O'Hanlon, the coroner's jury brought in a verdict simply stating that Young had died as the result of a pistol wound. Mrs. Patterson, who was in the coroner's room when the inquest began, was removed when the coroner was notified of the finding of the indictment against her. Young's widow was present at the inquest.

Jeffries-Munroe.

Harbin Springs, June 13.—With the injured knee in a bandage, Jeffries went in for a little light training today. While the knee feels strong, the champion is not taking any chances. He feels confident he will be in shape by Friday night.

San Francisco, June 13.—Munroe is practically on edge. He has more confidence than ever in his chances. Betting continues at 100 to 40.
