LOOK AFTER SICK

Russian Soldiers Who Were Wounded in Battle Praise Japanese

London, June 13.—A dispatch from Mukden states that the Russian soldiers habitually speak with contempt of the quality of the Japanese troops. The Japs, they say, are good coolies, but only in that respect are they excellent; but all the evidence that has reached the Russian headquarters as to the Japanese hospitals and their medical and surgical arrangements generally is unanimous as to the excellence of that part of the enemy's equipment.

Two wounded men of the 11th Russian regiment, which suffered so severely at Kinlien-Cheng managed to escape through the enemy's lines, and have reached Mukden. These men speak in enthusiastic terms of the manner in which the Japanese treat the Russian wounded. The Japanese army doctors, they say, are splendid, and they personally saw to the comfort of all the Russian wounded. Each Russian officer taken prisoner is supplied with a separate tent, and is allowed to superintend the preparation of the food for the Russian wounded.

Temporary assistance is given to the Japanese wounded in splendidly arranged field hospitals. About 450 Russian wounded were carefully attended to in the Japanese camp, and the relations between them and the enemy's troops were excellent, based says the correspondent, "upon the true comradeship and friendship of mutually respecting soldiers." The Japanese doctors removed the wounded from the field of battle without regard to nationality.

As it was practically impossible to remove all the wounded from the ground to the field hospital without delay, those whom surgical aid would most likely cure were taken in hand first, and the more serious cases were given first aid in the field. Whenever a wounded man was discovered, whether Russian or Japanese, he was placed on his feet; and if able to stand unsupported for a few seconds he was taken on a litter to the hospital.

Cruelties were undoubtedly perpetrated on the Russian wounded, but the miscreants were invariably Chinese, who are bitterly anti-Russian. It is said to be a common remark among the Chinese, "If the Japanese win in this war we will send basketfuls of Russian ears to Peking."

It is Up To The Doctor.

A lady wrote us from Winchester, Va., that she had been under a doctor's care for 4 years for dyspepsia, the pain appeared to center under the left shoulder blade, was so severe at times that she could neither eat nor sleep. She had lost faith in her home doctor, and asked us to send her sample of Dr. Gunn's Improved Liver Pills which had been recommended to her. We sent her two pills, in a few days she sent for a box. Now she writes that the pain under her shoulder has left her entirely, she enjoys her meals and never sleeps less than 8 hours every night, and this has all come about in 2 weeks, and cost her 50 cts. for two boxes of pills. Says the doctor charged her \$50.00, and that she told him he had better take the \$50.00 and invest it all in Dr. Gunn's Improved Liver Pills and build up his practice. Sold by druggists for 25c per box. Any one having dyspepsia, bilious spells or sickheadache can get a speedy cure by the use of these pills.

For sale by Dr. S. C. Stone, druggist.

The above will cheerfully be paid in lawful money of the United States, by the undersigned, proprietors of Dr. Pierce's Golden Medical Discovery, if they cannot show the original signature of the individual volunteering the testimonial below, and also of every testimonial among the thousands which they are constantly publishing attesting the superior curative properties of their several medicines, and thus proving the genuineness and reliability of all the multitude of testimonials volunteered by grateful people, in their behalf.

WORLD'S DISPENSARY MEDICAL ASSOCIATION, Proprietors, Buffalo, N. Y.

THE REASON.—There is no medicine equal to Dr. Pierce's Golden Medical Discovery, for purifying the blood. It carries off the poisons which contaminate the life fluid. It increases the activity of the blood-making glands and gives the body an increased supply of pure, body-building blood. It builds up the body with sound, healthy flesh instead of flabby fat, promotes the appetite, feeds the nerves, and so gives to weak, nervous people vitality and vigor.

"About a year ago I had a very bad cough and feared it would run into consumption," writes Hon. Geo. W. Lynch, of 27 Mason Street, Worcester, Mass. "When a severe attack of coughing would come on vomiting would set in. Matter accumulated in nose and my tonsils were irritated. After reading of the wonderful cures resulting from Dr. Pierce's Golden Medical Discovery began to use it, with some doubts as to the good it would do me. I am frank to say, 'But, after I had used one bottle I noticed quite a change for the better. Ordered five more bottles and before I had used them all the cure was complete. There is not now a trace of cough or cold in my system and my health is perfect.'"

To gain knowledge of your own body—in sickness and health—send for the People's Common Sense Medical Adviser. A book of 1008 pages. Send 21 cents in stamps for paper-covered, or, 31 stamps for cloth-bound copy. Address Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y.

Rally to the Colors.

The near approach of June 14th should remind every patriotic citizen that the 137th anniversary of the birth of the United States should be recognized and observed. For more than a century and a quarter this flag has triumphantly floated in honor, a beautiful token of perfect liberty, and is a beautiful flag. It invites the oppressed to rally beneath its folds. It has never been borne on an oppressive mission, or ever lowered in disgrace.

Therefore, I ask that on Tuesday, June 14th, it may float on every building, and may there be such a display of the American flag as was never known in the history of Salem.

LIZZIE ROSS,
Patriotic Instructor, Sedgwick Corps.
