

SALEM SOCIAL EVENTS

Physical Culture Entertainment.

Last evening in the University gymnasium, the young ladies of the physical culture department gave an exhibition, which was witnessed by about 400 people. This is the first time the department has appeared in the commencement exercises, and it was much enjoyed by those who were fortunate enough to be present. The work done was very artistic. The director is Miss Ruby Phelps. The "wand drill" by the class was very good. Miss Edyth Randall gave some artistic club swinging. She is making a specialty of this work, and also of physical culture, and, from her work last evening, shows the great proficiency she has accomplished. Miss Mae Phelps and Miss Jennie Coyle were contestants in an exciting "potato race," in which Miss Coyle was the victor. The game of battle ball was played between two picked teams the "Cardinals" and "Old Golds," in which the "Old Golds" won with a

score of 15 to 14. The girl's glee club furnished music for the evening, and Misses Ida Evans, Bess Cornelius and Mae Phelps gave a number entitled "A Bird in Hand," which was received with great applause. Tonight the junior class of the College of Oratory invites the public to attend "An Evening With Lovey Mary," at the First M. E. church, at 8 o'clock.

Linn County Horse Thieves.
Elmer Osburn and Victor Howard, two young men, were arrested near Lebanon yesterday afternoon on the charge of stealing the saddle horses of Earl Carlton and Fred Blyeu, found in their possession. It is also said they stole a watch of C. H. Whitney, found on Osburn, and many other personal things from different places. They were examined, held for the circuit court, and this afternoon, in default of bail, placed in the county jail. They formerly resided here, going back to Kentucky, from whence they are said to have been driven, coming back here. Their records are bad.—Albany Democrat.

THE FIRST LESSON

That the young girl has of womanhood is not seldom a painful one. She learns to know what headache means, and backache, and sometimes is sadly borne down by this new experience of life.

All the pain and misery which young girls commonly experience at such a time, may in almost every instance be entirely prevented or cured by the use of Dr. Pierce's Favorite Prescription. It establishes regularity. It tones up the general health, and cures headache, backache, nervousness and other consequences of womanly weakness or disease.

"I received your letter some time ago, with advice about your wonderful medicine," writes Miss Stella Johnson, of 25 Brady Street, Dayton, Ohio. "I was troubled with severe pain every month when I wrote to you for advice. After receiving your letter and following its directions, I am now happy to say that after five years of untold suffering I have not had any more pain since first using your 'Favorite Prescription.' I was induced through a friend to write to you and follow your kind advice. I thank God and Dr. R. V. Pierce for the health I now enjoy. I shall urge other women who suffer as I did to use your medicine."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.
