

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest of its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

HOMERS WERE PLENTY

Five Fence Balls During One Game Was Quite a Treat

Yesterday's Scores.

Salem 14, Eugene 2.

Roseburg 6, Albany 2.

The ball game Friday afternoon was of a better quality than the one on Thursday, but the Eugene boys were not in it at any time after the third inning. The game started off all right and after three trials on each side the score stood one to one. People were certain that it was going to be a corker, but when six hits were made off Nefzger in the fourth and three of them were over the fence, they knew that it was only a question of tallies.

The Raglans batted like fends and

swatted the deceptive little sphere with a vengeance. Two-baggers, in spite of fast fielding, were the rule, and when a spasm was concluded Salem had added seven runs to their side of the ledger.

Eugene nursed one lonely run, which by the way was a homer, until the ninth, when McKune drove the ball over the center field fence for another one.

Salem added to their score almost every inning until the total reached 14. It was one continuous strike-fest and was certainly "home-run" day at the park. Salem had the four station drives to her credit, and Eugene two of the same kind.

Nefzger pitched a good game at times, that is squirmed the ball around the rubbers in a way that fooled some of the best of them, but at other times he was up against it good and hard and was bumped with a vengeance.

McInnis was working all the time, and never got a bad hole until the ninth inning, but he pulled out of it and ended the agony.

Berth Longhead played first base for Eugene just to help them out because their new men had not arrived. He covered the bag in good style.

Rube Sander played center field for the visitors and he won great applause from the spectators when he caught a long fly in the center field, after a hard run; it looked like a sure two-bagger at least, but Rube stole it.

Very Annoying to Some People.

People that are known to be weak and sickly, by their neighbors, are asked the question every day whether they are feeling better. Do you feel stronger? Are you gaining flesh? Their friends know if they are gaining flesh, it is one of the sure signs of returning health. If they can only get a remedy that will make solid flesh, recovery is assured. People with nervous troubles, loss of flesh and strength, no ambition, languid, and always tired, have thin watery blood. The food they eat does not nourish them, it does not make blood. If after each meal they would take Dr. Gunn's Blood and Nerve Tonic, their food would be turned into rich, red blood, making solid flesh and strength. The tablets are sold in boxes by all druggists for 75 cts. or 3 boxes for \$2. People who use this tonic gain in solid flesh from 1 to 3 lbs. per week, they feel better and know they are on the road to health.

For sale by Dr. S. C. Stone, druggist.

"I am well now and enjoying better health than ever before in my whole life."

That is the statement of a woman who had never been well until she was made well by the use of Dr. Pierce's Favorite Prescription. There are a great many other women in like case. They have always been sufferers from disease. They have never known the joy of perfect health.

For all such women Dr. Pierce's Favorite Prescription holds out the prospect of perfect and permanent health, by the cure of the womanly diseases which weaken women. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"It gives me pleasure to let you know of the great benefit received from Dr. Pierce's medicine and the advice which you so kindly sent. I write Mrs. Bertie Parker, of Bonham, Fannin Co., Texas. 'I took your Favorite Prescription, 'Golden Medical Discovery' and 'Pleasant Pellets,' and followed your advice regarding the 'Lotion Tablets' and am cured. I had been treated by different doctors and spent one hundred dollars for treatment and medicine, but received very little relief. I have only spent seventeen dollars and fifty cents for your medicine and it has cured me in three or four months of ulceration and falling of uterus. I suffered severe misery in my back, also irregular periods. Had bearing-down in lower portion of body and great pain all through my body. Pain in uterus was very severe. Had smothering spells, breath was very short all the time, had pain in stomach, pain in my thighs, pain in breast, also between my shoulders. Bowels constipated. I am well now and enjoying better health than ever before in my whole life. Am happy to tell you that I was cured by your good advice and good medicine, the 'Favorite Prescription,' 'Golden Medical Discovery,' 'Pleasant Pellets' and 'Lotion Tablets.' These medicines cured me and will cure others also."

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss, therefore accept no substitute. Dr. Pierce's Pleasant Pellets regulate the bowels.

Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. At Dr. Stone's drug stores.
