It is Up To The Doctor.

A lady wrote us from Winchester, Va., that she had been under a doctor's care for 4 years for dyspepsia, the pain appeared to center under the left shoulder blade, was so severe at times that she could neither eat nor sleep. She had lost faith in her home doctor, and asked us to send her sample of Dr. Gunn's Improved Liver Pills which had been recommended to her. We sent her two pills, in a few days she sent for a box. Now she writes that the pain under her shoulder has left her entirely, she enjoys her meals and never sleeps less than 8 hours every night, and this has all come about in 2 weeks, and cost her 50 cts. for two boxes of pills. Says the doctor charged her \$50.00, and that she told him he had better take the \$50.00 and invest it all in Dr. Gunn's Improved Liver Pills and build up his practice. Sold by druggists for 25c per box. Any one having dyspepsia, bilious spells or sickheadache can get a speedy cure by the use of these pills.

For sale by Dr. S. C. Stone, druggist.

Do It Today.

The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.
