

PAINFUL PERIODS

While no woman is entirely free from periodical suffering, it does not seem to have been the plan of nature that woman should suffer so severely. **Lydia E. Pinkham's Vegetable Compound** is the most thorough female known to medical science. It relieves the condition which produces so much discomfort and robs menstruation of its terrors.

Women who are troubled with painful or irregular menstruation, backache, bloating (or flatulence), leucorrhoea, falling, inflammation or ulceration of the uterus, ovarian troubles, that "bearing-down" feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking **Lydia E. Pinkham's Vegetable Compound**, and then write to Mrs. Pinkham, Lynn, Mass., for further free advice. Thousands have been cured by so doing, and by the use of

Lydia E. Pinkham's Vegetable Compound

"DEAR MRS. PINKHAM:—I suffered for six years with dysmenorrhoea (painful periods), so much so that I dreaded every month, as I knew it meant three or four days of intense pain. The doctor said this was due to an inflamed condition of the uterine appendages caused by repeated and neglected colds.

"If young girls only realized how dangerous it is to take cold at this critical time, much suffering would be spared them. Thank God for **Lydia E. Pinkham's Vegetable Compound**, that was the only medicine that helped me any. Within three weeks after I started to take it, I noticed a marked improvement in my general health, and at the time of my next monthly period the pain had diminished considerably. I kept up the treatment, and was cured a month later. I am like another person since. I am in perfect health, my eyes are brighter, I have added 13 pounds to my weight, my color is good, and I feel light and happy."—**MISS AGNES MILLER**, 25 Potomac Avenue, Chicago, Ill.

"DEAR MRS. PINKHAM:—A while ago my health began to fail because of female troubles. The doctor did not help me. I remembered that my mother had used **Lydia E. Pinkham's Vegetable Compound** on many occasions for irregularities and uterine troubles, and I felt sure that it could not harm me at any rate to give it a trial.

"I was certainly glad to find that within a week I felt much better, the terrible pains in the back and side were beginning to cease, and at the time of menstruation I did not have nearly as serious a time as heretofore, so I continued its use for two months, and at the end of that time I was like a new woman. I really have never felt better in my life, have not had a sick headache since, and weigh 20 pounds more than I ever did, so I unhesitatingly recommend your medicine."—**Mrs. MAY HAULE**, Edgerton, Wis., President Household Economics Club.

Do it today.
The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advise we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.
