### HANDICAPPED.

The man who started to run a race in chains and fetters would be visibly handicapped. No one would expect him to succeed. The man who runs the race of life when his digestive and nutritive organs are diseased is equally handicapped. In the one case his strength is overweighted, in the other it is underminded. Success demands above all else a sound stomach.

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition.

\$3.00 FORFERIT will be paid by WORLD'S DISPENSARY MEDICAL ASSOCIATION, Proprietors, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below, and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

"The praise I would like to give your 'Golden Medical Discovery' cannot utter in words or describe with pen," writes James B. Ambrose, Esq., of 102 1/2 Millin street, Huntington, Pa. "I was taken with what our physicians here said was indigestion. I doctored with the best around here and found no relief. I wrote to you and you sent me a question blank to fill out, and I did so, and you then advised me to use Dr. Pierce's Golden Medical Discovery. I took three bottles and I felt so good that I stopped, being cured. I have no symptoms of gastric trouble or indigestion now."

Dr. Pierce's Common Sense Medical Adviser, sent free on receipt of stamps to cover expense of mailing only. Twenty-one one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

## JUMPED FROM BRIDGE

### Unknown Man Committed Suicide in Willamette River

An unknown man jumped from the high wagon bridge, which spans the Willamette river at this city, and was drowned before he could be rescued, on the afternoon of the Fourth.

John Gantenbein, Austin Fishburn and Frank Haas were in a boat, about 300 yards from the bridge, when they heard a heavy splash in the water. They could see a white speck on the water, and were soon apprised of the fact that a man was in the river. The shouts of a number of others attracted their attention, and they realized that a tragedy was being enacted. Rowing the boat swiftly down the current they came within 30 feet of the man, but when he feared that he was about to be rescued, he raised his arms and disappeared forever from sight.

The only trace that the rash man left was a worn and tattered straw hat, which floated on the water, and was picked up by the men in the boat. It is a plain hat, Fedora shape, with the trade mark "Girard" on the inside. The size is 6 3/4, and the lot number 162.

From the description furnished by the men in the boat and others who were on the shore and the bridge approach, the man was about 50 years old and bald headed. He looked over his shoulder several times when the row boat was approaching him, and continued to swim down the channel, until the men were almost within reach of him, when he deliberately refused to use his arms, and went down. He seemed to have some difficulty in sinking, but held his head under the water. He was in his shirt sleeves and wore a light-colored vest. The police have made every effort to find a trace of the man in this city, but have been unable to learn of anyone who is missing.
