"I wrote to Dr. Pierce for advice though I thought surely I would die."

"After my baby came in January, 1900," writes Mrs. Nancy Abner, of St. Paul, Ark. "I suffered severely from all sorts of aches and pains, until the following May, when I read one of your pamphlets, treating on female diseases. I wrote to Dr. Pierce for advice, although I thought surely I would die, as our physician told me I was more liable to die than to get well; your fatherly advice caused my health to be restored. I took five bottles of Dr. Pierce's Favorite Pre- scription, three of 'Golden Medical Discovery' and three vials of 'Pellets,' together with your other remedies, and I am now able to do all my work."

Weak and sick women are invited to consult Dr. Pierce, by letter, free, and so obtain without charge or fee the advice of a specialist upon diseases peculiar to women. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

The invitation to consult Dr. Pierce, by letter, free, is not to be confused with offers of "free medical advice" made by irresponsible persons who are not physicians and are professionally and legally disqualified for the practice of medicine.

Dr. Pierce's Favorite Prescription is a safe and reliable remedy for the cure of womanly ills. It establishes regularity, dries weakening drains, heals inflamma- tion and ulceration and cures female weakness.

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

STATE CROP REPORT

The crop report for this week shows unfavorable weather conditions in Western Oregon.

The weather during last week was variable. The 28th and 29th were very hot, after which it turned cooler and good rains fell in the eastern sec- tions, but none of consequence oc- curred in the western part of the state. In the Willamette valley the drought continues, and all late crops are suffering and badly need rain. The fall grain harvest has just begun, and it will become general in about a week. The crop is good nearly every- where, except in the Grand Ronde and Powder River valleys, where it was badly damaged by the frost of last week. The frost in that section was unusually severe, and, besides damag- ing grain in the head, it cut all tender vegetation to the ground, and injured considerable fruit. Spring grain is doing poorly, especially in the Wil- lamette valley, and in Southern Ore- gon, where it is heading so short that fears are entertained that many fields will have to be cut for hay.

Good progress has been made in harvesting the hay crop, much of which is now safely secured. The yields are generally reported light, especially timothy, which in a num- ber of localities turned out to be al- most a total failure. Vetch yielded well, and clover was but slightly be- low the average. Hops, corn and po- tatoes need more rain; potatoes have suffered the most. Hops, although still green, have not their usual vigor at this season of the year, and the growers do not expect a full crop. Some damage to alfalfa by grasshoppers is reported, but otherwise all crops are remarkably free from insect pests. Apples continue to give prom- ise of good yields, and it is expected that a fairly good crop of peaches will be picked.

Catarrh Cannot Be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitu- tional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken interna- lly, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was pre- scribed by one of the best physicians in this country for years and is a reg- ular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting direct- ly on the mucous surfaces. The per- fect combination of the two ingredi- ents is what produces such wonderful results in curing Catarrh. Send for testimonials free.
