AT HALF MAST.

Sometimes we are greeted in the morning by flags at half-mast for some prominent official who yesterday was apparently in perfect health. When we inquire the ailment by which he was stricken it is not uncommon to be told "acute indigestion" or "stomach trouble."

It is time people learned that indigestion or any form of "stomach trouble" is not a thing to trifle with. The result may not be fatal, but there can be no condition of diseased stomach which does not carry with it physical loss and weakness. Dr. Pierce's Golden Medical Discovery cures indigestion and other forms of disease affecting the stomach and its allied organs of digestion and nutrition. It enables the perfect digestion and assimilation of food.

"Thanks to Dr. Pierce's Golden Medical Discovery," writes Mr. Charles H. German, of Lehigh, Pa. "It is the only medicine that has done me any good. I tried everything I could think of to cure my indigestion, and found I was only throwing away money. Then I heard of Doctor Pierce's Golden Medical Discovery and tried a bottle of it, and to my joy found it was doing me good. I used six bottles of it, and am now cured. It is the best medicine on earth."

This grand remedy does its work in a thorough manner; it gives the health that is all health; the strength that is solid, substantial and lasting; not flabby fat, not false stimulus, but genuine, complete, renewed vitality and life force.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pleasant Pellets cure constipation and its consequences.

JAPS SAVED LIFE

San Francisco, July 14.—The story of a tragedy at sea reached the United States marshal's office yesterday in an envelope addressed to "The Right Honorable Consulate General American in San Francisco, N. A." There is, of course, no such dignitary and the marshal opened the letter. In a labored hand, full of odd English, is the short and lucid recital of the last extremity of a Dane, of the hardship of a Japanese rescuer, and the bringing of the rescued man into the only port in the North Pacific, Dutch Harbor. The letter is as follows:

Dutch Harbor, Alaska, N. A., June 18th, 1904.—Name—M. P. P. Riis Native country, Denmark. I hereby beg report to R. H. Consulate General San Francisco that, the matter as follows: on June 7th 4 (pm) 1904, my vessel on the way bound to Dutch Harbor in Alaskapen from Yokohama, at the place in (lat. 54 deg. N & Long 167 deg. 20 min. W). I have discovered above mentioned disabled foreigner, in the fishing boat among strong gale, who is blown down toward the vessel, is approaching about to drown. So directly I make manage the vessel properly without hesitate, keep close to the boat, hardly rescued from the wreck & take him on board with safety, give suitable protection before him & brought back to Dutch Harbor with the vessel. I have the honor to be, H. I. G. MARCHANT, Sailing vessel Higathi Maru. Master, K. TOKUSHIGI, M. P. P. RIIS.

To the Right Honorable American Consulate General.

Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. At Dr. Stone's drug stores.

Hop Market Reports Indicates That Crop Will Be Short

The Waterville, (N. Y.) Times says:

There is nothing new to say regarding hops. The general report is that the yards are doing well, though there are some here and there that look rather thin and do not give promise of a large yield. The weather is very favorable, with frequent showers and not too hot.

It was learned at the close of last week a sale was made in the local market of 100 bales choice California at 26c. The tone of the local market for the day was reported steadier. Business with brewers continued quiet.

Celebration in San Francisco. San Francisco, Cal., July 14.—The members of the French colony of San Francisco today held their usual elaborate and patriotic celebration of the national holiday of France. The festivities were held in the Mechanic's pavilion and consisted of musical and literary exercises, with addresses by a number of speakers of note. A ball and concert concludes the celebration tonight.

Thin People. Thin, scrawny, fleshless people are usually nervous, irritable, bilious and dyspeptic. Every change of weather effects them, if they happen to eat or drink anything containing disease germs, it develops at once, and they are the first subjects of any contagious disease coming in the neighborhood. Their life is a continual worry in their efforts to avoid exposure to damp and malarious atmosphere. People can gain from one to three pounds of solid, healthy flesh per week by the use of Dr. Gunn's Blood and Nerve Tonic; it puts their system in condition to resist sickness. This Tonic is in tablet form, to be taken right after meals. Sold by all druggists for 75c per box or three boxes for \$2. It turns the food you eat into strong rich blood, this prevents and cures disease. People tell us who have used the Tonic that it cures them, then keeps them from getting sick afterward.

Hemp Will Be Hic. Sheriff Tom Word of Portland, brought Frank Guglielmo to the penitentiary last evening from Multnomah county.
