The strongest castle could be reduced by siege if the garrison could be starved out. The strongest body has to give up the fight when starvation weakens it. There are more deaths from starvation than the world dreams of. When the stomach is diseased and the food eaten is not digested and assimilated, then the strength of the body begins to fail because of lack of nutrition, and the weak body falls an easy victim to the microbes of disease.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores physical strength in the only possible way, by enabling the assimilation of the nutrition contained in food. "I was sick for over three years with a complication of stomach troubles," writes Mr. John R. Caston, residing at 2424 Arch St., Chicago, Illinois. "I had tried every good physician I knew of, as well as many patent medicines, but received only temporary relief. One day a friend recommended your 'Golden Medical Discovery.' I immediately procured some and began its use. Commenced to gain the first week, and after I had taken only one bottle I could eat as well as any one without experiencing ill effects. I took five bottles, and to-day am happy to announce that I am as well and healthy as any one could be. I owe it all to Dr. Pierce's Golden Medical Discovery."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains. You lose. Therefore accept no substitute for "Golden Medical Discovery." FREE. Dr. Pierce's Common Sense Medical Advice is sent free on receipt of stamps to pay expense of mailing only. Send twenty-one one-cent stamps for the book in paper covers, or thirty-one stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

EARLY FIRE DRILL

The fire department took an early morning drill today. The engine and hook and ladders and hose dashed up to the Willamette Hotel at 5 o'clock, and the firemen ascended the new fire escapes recently installed by the hotel owner, Mr. Bush.

The various floors were entered and the hose played on the roof, the entire work consuming about 20 minutes. The firemen exhibited thorough training, and Chief Pugh ably directed the drill.
