A Profitable Crop.

Vetch is getting to be one of the most profitable of all crops in the Willamette valley. The profit lies not but for its mechanical action on the soil and fertilizing properties. The large number of roots put the soil in very fine condition for cultivation, and its well-known ability to secure nitrogen from the air makes it a plant that should be on every farm in the valley. -Pacific Farmer.

The 'time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advise we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY-and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.

DEPUTY SHERIFF MINTO

Made a Good Catch on Circus Day--Prisoner Tried to E cape, but Failed

Deputy Sheriff Harry Minto arrested a stranger who gave the name of R. H. Manning yesterday afternoon, charging him with picking the pocket of Elmer King on a circus ground car. King lost \$83, and had the suspected spotted. He reported the robbery to the sheriff's office, and Deputy Minto soon had the fellow in charge. Shortly after the prisoner was taken to the court house, and while alone with Sheriff Culver, be made a desperate effort to escape. He jumped out of the east window on the south side of the court house, a distance of 16 feet, spraining one of his ankles, and incapacitating him from walking. Deputy Minto was on the outside of the court house, and the fleeing robber almost jumped on top of the officer. He was at once carried back to the jail, and the injured limb received medical attention.

Sheriff Culver at once sized the captive up as eriminal who was wanted for other crimes, and communicated with Portland. He soon learned that Manning's correct name is Rogers, and that he is said to be wanted in Oskosh, Wisconsin, on a robbery charge. He jumped a \$600 cash bail in that city in of a large crowd a handsome monument June, and is certainly a bad crook, if all reports are true. He had in his eash, and several cards, one from S.

The money that the prisoner is accused of stealing was not found on his person, and the evidence of the King charge rests solely on the latter's ability to recognize the defendant. He will be held awaiting instructions from only in the fact of the immense yield the East, and will probably have a preand wonderful feed value as forage, liminary hearing tomorrow morning at 10 o'clock.

Cure for Sick Headache.

We had a letter the other day from a lady in the town of Boulder, Colo., that should be of interest to people who are troubled with spells of sick headache. She writes that she had these spells about four times a week, was obliged to go to bed and remain there from 8 to 10 hours each time. Had been troubled this way for several years, and the attacks became more frequent. Doctors done her no good, she tried dieting, as every body said it was from her stomach. Seeing an advertisement of Dr. Gunn's Improved Liver Pills, which said, they cure sick headache by removing the cause, - she decided to try once more, and sent 50c for two boxes. She said she had taken the last pill more than four months ago, has not had a sick spell of any kind for over five months. Druggists sell these pills for 25c per box. It only takes one for a dose, They cure sick headache every time. For sale by Dr. C. S. Stone, druggist.
