(Continued from first page.)

court in the state has been invited to participate in the event. The board has agreed to furnish the rock, gravel and boulders for the construction of the roads, and two hours every morning will be devoted to the road making. Every road supervisor in the county will probably be present.

President Downing is enthusiastic for the fair, and believes that it will be a record-breaker. Secretary Moores is hard at work answering his many letters, but will establish headquarters at the fair grounds next Monday, and will transact all business from there.
