

PRIMARY LAW IN EFFECT

City Recorder Judah Submits Report of Investigation

City Recorder Judah has submitted the result of his investigations as to whether the provisions of the direct primary law applied to the city elections in Salem. The council at a recent meeting directed that the matter should be investigated, and Recorder Judah submits the following report.

"In obedience to the previous order of this council, I have investigated the Direct Primary Nominating Law of the State of Oregon, adopted by the people at the last general election, and now in force, as to its bearing upon, and application to, the regular municipal elections of the City of Salem, and herewith respectfully submit my findings, as follows:

"The law does apply to municipal elections in this city.

"The city recorder is the officer charged with the enforcement and operation of the law in its bearing upon all municipal elections.

"The existing list of judges and clerks of election, serving under appointment of this council, are amenable to duty at and for said direct primary nominating election within the city.

"Notice of such primary election must be issued, served and posted by Thursday, October 6, 1904.

"Such direct primary nominating election in and for the city of Salem, Oregon, must be held in said city on Saturday, November 5, 1904, from 12 o'clock m. to 7 o'clock p. m.

"I respectfully ask the appointment of a special committee on election (with the Hon. Mayor as chairman thereof) to assist in the initial application of this law to the affairs of the city."

GRIP CONVALESCENCE

There's nothing better than Scott's Emulsion after the grip. When the fever is gone the body is left weak and exhausted; the nervous system is completely run down and vitality is low.

Two things to do: give strength to the whole body and new force to the nerves. Scott's Emulsion will do it; contains just what the worn-out system needs.

Rich blood, healthy flesh, resistive force, more and better nourishment are what Scott's Emulsion supplies to the convalescent.

We'll send you a sample free upon request.

Murderous Horse Thief.

Lovejoy, the ex-convict horse thief, who shot Deputy Sheriff Hugh Fields, of this county, in the mouth, is reported to have been at the Keys ranch, near Mayville, on the 20th. The man, who had a scar on his forehead, and otherwise tallied with the description of Lovejoy, was working for Mr. Keys in the harvest field, when Miss Mary Keys, who is an expert amateur photographer, essayed to take a picture of the harvesting crew. The stranger became angry at this, refused to be photographed, and demanded his pay, upon receiving which he left for parts unknown. Sheriff Keeton has had men on Lovejoy's track for about two weeks, and they traced him to the Mayville neighborhood, and feel sure that he is the man wanted.—Fossil Journal.

Do It Today.

The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.
