The 8 Hour Day

Which the working man has fought for and succeeded in obtaining is something the wife has no share in. Her day begins before his and ends long after it, as a rule, and many a night her rest is broken by the baby's fretfulness. The healthiest woman must wear out under such a strain. What can be expected then of those women who are weakened by women's daily diseases?

Women who are weak, worn-out and run-down will find new life and new strength in the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

"I suffered with female weakness about eight years—tried several doctors but derived no benefit until I began using Dr. Pierce's Favorite Prescription," writes Mrs. John Green, of Danville, Boyle Co., Ky. "This medicine was recommended to me by other patients. I have taken six bottles and I feel like another person."

Refuse all substitutes. Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.

No Fight—Sports Disappointed.

Philadelphia, Pa., Sept. 7.—There is much disappointment in local sporting circles because of the abandonment of the Corbett-O'Brien fight which was to have taken place at the Tuxedo Athletic Club tonight. It is likely that an effort will be made to have the city authorities reconsider their refusal to issue a permit so that the bout may be pulled off at a later date.

OFFICIAL WEATHER REPORT

Potatoes and Gardens Need Rain, but Hops Would Be Injured

The United States department of agriculture, climate and crop bulletin of the weather bureau, Oregon section, for the week ending, Saturday, September 4th says:

The past week has been dry, with warm days and seasonable nights. Although rain would be injurious to hops, it is badly needed for late potatoes, gardens and pastures. The grain harvest is nearly completed, and in a few localities a little fall seeding has been done on summer fallowed land, but most of the farmers are waiting for rain before beginning this work. Pasture in the valleys, except in the coast counties, is very short, and complaints are now made that feed on the ranges in the mountains is getting scarce.

The tops of late potatoes are beginning to dry up, and the tubers are small and few in the hill. The yield of field onions in Washington county was considerably less than last year and below the average of former years. Sugar beets in Union county are ripe, and the crop is reported to be better than the average. Hop picking becomes general this week. The burs are rather small, but the vines are free from lice, and the crop is of good quality, although slightly below the average in weight.

Summer apples have dropped heavily, but late apples continue doing well, and prominent abundant yields. Prunes are ripening and picking will become general about the middle of the month. Peaches and blackberries are plentiful in the markets.

Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. At Dr. Stone's drug stores.
