Pain Weakens And Destroys the Nerves.

Do you know that pain is simply the nerves crying for help? Has it ever occurred to you that pain weakens and destroys the nervous system?

For this reason you should act promptly in every case of headache, backache, stomach ache, sciatica, rheumatism, neuralgia, toothache, and all other pain. Dr. Miles' Anti-Pain Pills will relieve pain almost instantly, because they act in a natural and harmless manner upon the nerve tissues, and relieve the conditions which cause the pain.

While very prompt and effective in their action, they do not effect the bowels in the least, are perfectly harmless, and leave no disagreeable after-effects. Delicate women who suffer from headache, bearing-down and periodical pains, can use them with impunity.

You may also give them to children with the assurance that while they will relieve, they cannot possibly harm. "Dr. Miles' Anti-Pain Pills never fail to cure headache, pain in back of neck, cold pains, neuralgia, or in fact any pain. I have taken them with best results, and have given them to others; they never disappoint." GILBERT R. HOUSER, Milford Center, Ohio.

25 doses for 25 cents. Never sold in bulk. If first package fails to benefit, your money back.
