OPENS WESTERN OFFICE

Chicago, Sept. 19.—Thomas Taggart, chairman of the Democratic national committee, arrived here this morning from Indianapolis for the purpose of conferring with the Illinois politicians regarding the establishment of Western headquarters at Chicago, and to outline the plans of the Democratic campaign in Indiana, Illinois and Wisconsin. The headquarters in Chicago will be in charge of National Committeeman Sullivan, assisted by Committeeman Ryan, of Wisconsin, and will occupy a suite in the Sherman House. Taggart denied emphatically that he had relinquished any part of his control over national committee affairs. He will leave for New York late this evening.

Taggart said that Judge Parker would not go West on a speaking tour, but will make a number of speeches either at Esopus or New York.

Russia Is Contrary.

Berlin, Sept. 19.—The foreign office, it is stated, has received information that the Russians will refuse to recognize the Anglo-Tibetan treaty regarding the demolishing of Tibetan strongholds, and the maintaining of British rights in Tibet. It is possible that this refusal will give rise to serious situations.

An Apt Scholar.

We had the pleasure of meeting Mr. J. Kamikido, a Japanese, who has been picking hops in B. J. Grim's yard Thursday evening. He is a printer, or rather, a compositor by trade, and although he has only been in this country three months, he can make himself understood. While he cannot yet speak fluently, his knowledge of English is good, and he has worked on American newspapers, and is a rapid and accurate compositor.—Aurora Borealis.

Cure for Sick Headache.

We had a letter the other day from a lady in the town of Boulder, Colo., that should be of interest to people who are troubled with spells of sick headache. She writes that she had these spells about four times a week, was obliged to go to bed and remain there from 8 to 10 hours each time. Had been troubled this way for several years, and the attacks became more frequent. Doctors done her no good, she tried dieting, as every body said it was from her stomach. Seeing an advertisement of Dr. Gunn's Improved Liver Pills, which said, they cure sick headache by removing the cause, she decided to try once more, and sent 50c for two boxes. She said she had taken the last pill more than four months ago, has not had a sick spell of any kind for over five months. Druggists sell these pills for 25c per box. It only takes one for a dose. They cure sick headache every time. For sale by Dr. C. S. Stone, druggist.

Injured at Woolen Mill.

Herbert Gamble, an employe in the Salem woolen mills, while washing windows in the mill, was caught by a belt and thrown from the ladder on which he was working either onto the cement floor or a rag picker, which was near under him, fracturing his skull. Dr. Byrd was called immediately, and a young man was taken in the ambulance to the home of his father, ex-Police man Gamble, in Yew Park. He was unconscious for several hours, but the latest report was that he had regained consciousness, and seemed to be improving. Although it will be impossible to tell for several days whether he will recover, the doctor says that his chances are good.

Fearful Odds Against Him.

Bedridden, alone and destitute. Such is brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with kidney disease and neither doctors nor medicine gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies, "I'm on the road to complete recovery." Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel complaints. Only 50c. Guaranteed by J. C. Perry, Druggist.

Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. At Dr. Stone's drug stores.

Office Removed.

Dr. Frank E. Smith has removed his offices from the rooms over the Red Corner drug store to the new Breyman block, over the New Yokohama Tea store. Patrons please take notice.
