FIGHTING AT PORT ARTHUR

(Continued from first page.)
 St. Petersburg, Sept. 20.—General Sosnel sends the following, under date of September 15th: "The enemy continues a daily bombardment of the forts and batteries inside of the fortress. The wounded are recovering, and are eager to resume their places in the ranks. They are heroes. The troops are in excellent spirits."

Want More Officers.
 St. Petersburg, Sept. 20.—There is a story afloat that a sudden call has been issued to officers of the guard regiments, stationed at St. Petersburg, to report for service at the front. According to the report, the order directs that out of a total of 36 officers of each regiment, one-seventh should be chosen by lot and drafted to serve with regiments now in the Far East. It is stated that the order has aroused great discontent. Whole regiments are anxious to go to the theater of war, but the officers intensely dislike the prospect of the organizations being split up. It is impossible at this time to obtain an authoritative confirmation or denial of the report.

New Hampshire Republicans.
 Concord, N. H., Sept. 20.—The New Hampshire Republican state convention today nominated John M. McLean, of Milford, for governor. The platform indorses Roosevelt and Fairbanks, and declares that the Democratic party dare not challenge accomplished facts as a party record.
