It's Easier To Cure, Than Endure Pain.

It is needless to suffer pain. It is easier to take a Pain Pill and be cured. If you will provide yourself with a 25c package of Dr. Miles' Anti-Pain Pills you have the means of preventing attacks of pain, as well as a positive cure. If you are subject to nervous or sick headaches, neuralgia, backache, menstrual pains, stomach ache, indigestion, nervousness, or if you have dizzy spells, sick stomach or headache while traveling—catarrhs—all that is necessary is to take one of Dr. Miles' Anti-Pain Pills when first symptoms appear, or just before starting out to visit or travel, and they will soothe the irritated nerves, and free you from all these disagreeable affections. In doing this you take no risks, because they are perfectly harmless, and you will have no other evidence of having taken them than the knowledge that you are free from pain. They relieve and cure by reinvigorating and allaying the irritation of the nerves, and by stimulating the secretions. "I am glad to find the relief that comes with the knowledge that I am freed from those terrible headaches that I have had all my life. All I have to do when I feel the approach of pain is to take one or two of Dr. Miles' Anti-Pain Pills, and I am free from my sufferings of three, six or twelve hours duration."—J. E. DAVIS, Prof. Nurse, and Health Officer, Turtle Lake, Wis. 25c package. Never sold in bulk.

CLEANLY WOMAN.

Erroneously Thinks by Scouring Her Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp, she is curing the dandruff. She may wash her scalp every day, and yet have dandruff her life long, accompanied by falling hair, too. The only way in the world to cure dandruff is to kill the dandruff germ, and there is no hair preparation that will do that but Newbro's Herpicide. Herpicide by killing the dandruff germ, leaves the hair free to grow as healthy Nature intended. Destroy the cause you remove the effect. Kill the dandruff germ with Herpicide. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Salem Boy Actor.

Eric Kleppin, well-known in this city as a young man who had his arm shot nearly off at the shoulder, and played a cornet for some years in the Salem band, has developed into a comedian of considerable talent, since going with the Snell-Aldridge Dramatic Company, which he joined last spring. At first he handled a lantern and did electric work, besides playing in the band. Then he took some minor parts, and now appears nightly in the regular cast as comedian. The Oakland Leader speaks highly of his work in the part of Squire Ripley in the "Virginia Landlord," and of his part in "Down in Arkansas" it says: "Eric Kleppin, as 'Ike,' who 'wanted a steady job,' brought down the house by his true delineation of the backwoodsman." This company is playing standard dramas, and in each of them Kleppin has his full part, besides appearing in cornet solos. The company may appear at Salem this season, and Kleppin will be given a warm welcome by his scores of friends in his old home city in Oregon.

Could Not Arrange Date.

In spite of the efforts of Chairman Frank C. Baker and Hon. J. G. Graham to arrange a meeting for Fairbanks and Dollivar in this city, while on their Western tour, it has been impossible to secure a date for those speakers. The Journal this morning is in receipt of a telegram from Mr. Graham, at Chicago, in which he says:

"I regret to say that I cannot arrange for the Fairbanks-Dollivar meeting at Salem. I had a conference with Chairman Tawney this morning, and, owing to previous dates, it is impossible to favor Salem."

The announcement will be received with regret by the many friends of these gentlemen in this city, but a large number will probably attend the meeting in Portland.

Office Removed.

Dr. Frank E. Smith has removed his offices from the rooms over the Red Corner drug store to the new Brynham block, over the New Yorkham Tea store. Patrons, please take notice.
