The Hon. Amos P. Atkins, who is one of the most prominent men in New Albany, Ind., and Treasurer of Floyd County, has this advice to give to those who are shut up within the narrow confines of office or shop:

"Dr. Pierce's Golden Medical Discovery seems to take the place of hard training in developing strength, vigor and endurance of the system and expelling all impurities, with which the blood sometimes gets clogged. I have found by personal experience that it enables me to do more hard work, and at the same time endure more physical strain and partake with greater vim in outdoor sports than anything I know of. It can always be relied upon to increase the appetite, induce healthful sleep, and tone and refresh a worn-out system."

"A number of my friends who have used it speak in the same high terms, and we have reason to consider it an office man's friend."

Dr. Pierce's Golden Medical Discovery is a blood-purifier and health-giving tonic that contains no alcohol, opium or other narcotic. It is a purely vegetable compound, made from roots and herbs in an up-to-date pharmaceutical laboratory, and has been used and recommended by thousands of people during the past thirty-seven years.

\$3,000 FORFEIT will be paid by the World's Dispensary Medical Association, Proprietors, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the above testimonial, and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

Good Spirits.
Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. At Dr. Stone's drug stores.
