

NOTE MADE PUBLIC

The note left by Miss Mildred Bryant to Chas. Pennell when she committed suicide last Monday, has been made public. The unfortunate girl appears to have been laboring under a delusion, and in order to partially clear away the mystery surrounding the sad occurrence Mr. Pennell has consented to have it published. It is as follows:

"Dear Charlie: My last words and thoughts will be of you. Perhaps if I had never gone to Sidney, everything would have been looked at in another light, but I learned to love you better than my own life. Don't think me rude, but it is true. I don't suppose that we can ever be any more to each other than this. I hate every other boy. For six weeks now I have thought of nothing but some way to forget this now I see my way out of it. You call me a fool; I can't help it. I will be happy. I am going where mamma is. Be a good boy, Charlie, for me. I could not see you go away and leave me. I knew when you come back some one else would be in my place. I never could care for any one else, and I don't want to. Think kindly of me, Patie, dear, and remember me as your own little Meh. Good-night."

INTERESTING FACTS

For Nearly Every Man, Woman or Child.

A short time ago we published an article recommending to our readers the new discovery for the cure of dyspepsia, called Stuart's Dyspepsia Tablets, and the claims then made regarding the wonderful curative properties of the remedy have been abundantly sustained by the facts. People who were cautious about trying new remedies advertised in the newspapers were finally induced to give Stuart's Dyspepsia Tablets a trial were surprised and delighted at the results. In many cases a single package, costing but 50 cents at any drug store, made a complete cure, and in every instance the most beneficial results were reported. From a hundred or more received we have space to publish only a few of the latest, but assure our readers we have received so many commendatory letters that we shall publish each week a fresh list of genuine, unsolicited testimonials, and never publish the same one twice.

From James Temmeleier, La Crosse, Wis.: Stuart's Dyspepsia Tablets are doing me more good than anything I ever tried, and I was so pleased at results that I gave away several boxes to my friends, who have also had the same benefits.

From Jacob Anthony, Patmurray, New Jersey: I have taken Stuart's Dyspepsia Tablets with the best results. I had dyspepsia for six years, and had taken a great deal of medicine but the tablets seem to take right a hold, and I feel good. I am a farmer and lime burner, and I heartily recommend to every one who has any trouble with his stomach to use these tablets.

From Mrs. M. K. West, Preston, Minn.: I have received surprisingly good effects from using Stuart's Dyspepsia Tablets. I gave one-half of my last box to a friend who also suffered from indigestion, and she had the same good results.

Mrs. Mrs. Agnes K. Ralston, Cadillac, Mich.: I have been taking Stuart's Dyspepsia Tablets, and I am very much better, and feel very grateful for the great benefit I have received in so short a time.

Stuart's Dyspepsia Tablets are a certain cure for all forms of indigestion. They are not claimed to be a cure-all, but are prepared for stomach trouble only, and physicians and druggists everywhere recommend them to all persons suffering from nervous dyspepsia, sour or acid stomach, heartburn, bloating or wind on stomach and similar disorders. Women's Headaches
543 1-2 Congress Street, PORTLAND, MAINE, Oct. 17, 1902.
I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pain would shoot through my back and sides and I would have bleeding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering agonies I usually did and soon became regular and without pain.
Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Mrs. Wilhelmina Snow
Treasurer, Portland Economic League.

Headaches are the danger signals of coming disease. Both men and women suffer headaches, but periodical headache falls only to the lot of women and is the unerring sign of irregular menstruation and bearing down pains. Completely prostrated by nine months of suppressed menses, blinded by headaches and racked with pain Mrs. Snow was made a strong and healthy woman again. Remember with Wine of Cardui no case is hopeless because this great remedy cures permanently nineteen out of every twenty cases and never fails to benefit a case of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, try Wine of Cardui, and try it now. Remember that headaches mean female weakness. Secure a bottle of Wine of Cardui today. All druggists sell \$1.00 bottles of Wine of Cardui.
