## \$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

So uniformly successful has Dr. Pierce's Favorite Prescription proven in all forms of Female Weakness, Protrusion, or Falling of Womb, and Leucorrhoea, that, after over a third of a century's experience in curing the worst cases of these distressing and debilitating ailments, Dr. Pierce now feels fully warranted in offering to pay \$500 in cash for any case of these diseases which he cannot cure.

IT STANDS ALONE.—The "Favorite Prescription" stands alone, as the one and only remedy for these distressingly common forms of weakness, possessed of such positively specific curative properties as to warrant its makers in proposing, and binding themselves to forfeit, as we, the undersigned proprietors of that wonderful remedy hereby do, to pay the sum of \$500 in legal money of the United States in any case of the above diseases in which after a fair and reasonable trial of our treatment, we fail to cure. No other medicine for the cure of woman's peculiar ailments is backed by such a remarkable guarantee; no other medicine for woman's ills is possessed of the unparalleled curative properties that would warrant its manufacturers in making such an offer; no other remedy has such a record of cures on which to base such a remarkable offer.

Therefore, insist on having Dr. Pierce's Favorite Prescription and turn your back on any unscrupulous dealer who would insult your intelligence by attempting to foist upon you some inferior substitute, under the plea that "it is just as good." Insist on having the article which has a record of a third of a century of cures and which is backed by those willing to forfeit \$500 if they cannot cure you.

In cases attended by a leucorrhoeal drain a solution of Dr. Pierce's Lotion Tablets should be used conjointly with the use of the "Favorite Prescription." They are sold by all druggists, or sent post-paid to any address, on receipt of 25 cents in stamps. Send 31 cents in stamps for Dr. Pierce's Common Sense Medical Adviser. Address WORLD'S DISPENSARY, Buffalo, N. Y.

## FIRST VISIT IN TOWN

### City Drummer Initiated Into the Ways of Honest Country Folks

The uncertainty of "butterfly" life had a striking illustration recently in this city, when a young commercial man from another city arrived in town. He started out to see the sights, and landed in one of the places where the spotted pasteboards and other devices are handled with dexterity and dispatch.

He wagered a little money that he could guess the winning hand, but he lost. Of course it was luck, and he wanted to bet some more. He is not a believer in the quitting habit, and with renewed vigor went at them, saying that luck could not always be against him.

Many times he plunged, until he plunged out his last bean, and then he retired. It was his first trip up the road, and he paid an even hundred expense money to get initiated into the ways of the "country" folks. Just how he squared the affair at the other end of the line is not known. And there are said to be other incidents that might be related along the same line. They would make interesting reading matter.

### A CASE TO FIT.

Many More Like It in Salem. The following case is but one of many similar occurring daily in Salem. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such a conclusive evidence.

Olof Johnson, who is a gardner by occupation, living at the corner of 15th and B streets, North Salem, says: "Kidney complaint is no new thing for me. I have been bothered off and on from a disordered condition of the kidneys for 10 or 12 years. I did not suffer so much from backache as most people do who have kidney secretions, which was both distressing and aggravating. There was a scalding sensation in passing, and a heavy brick-dust like sediment appeared after standing in the vessel over night. I had attacks of dizziness in my head, and oft-times a blurring would appear before my eyes, and I could hardly see. I tried numerous remedies, but all in vain until I saw Doan's Kidney Pills highly recommended for just such troubles, and procured them at Dr. Stone's drug store. I will say that in all my experience with doctors' prescriptions and different kidney remedies nothing has given me the amount of relief that I have received from Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

### Oratorical Contest.

Galesburg, Ill., Oct. 7.—Galesburg is filled with many visiting student delegations whose presence is an indication of the general interest manifested in the thirty-first annual contest of the Illinois Intercollegiate Oratorical Association. The contest takes place in the Central church tonight under the auspices of the Knox College Oratorical Association. The institutions that have sent their chosen orators to compete are Knox, Illinois, Blackburn, Illinois Wesleyan, Eureka and Monmouth. The winner will represent the state association in the interstate contest to be held next May.

### Do You Believe in Signs?

A mark, note, token or symptom, indicates that by which anything may be known, that is, we are forewarned if evil is to befall us, or we have the pleasure of anticipation if the signs betoken a fortunate occurrence. Accidental occurrences all have their signs every disease has its symptoms. The point is to heed the former, and counteract the effect of the latter. Spells of sick headache follow indigestion and stomach disorders, belching, biliousness and dyspepsia are signs of sickness. People that believe in these signs and knew that they are true from experience, can get immediate relief and a speedy cure by the use of Dr. Quan's Improved Liver Pills. Sold by druggists for 25c per box. Only one for a dose.
