FAIRBANKS DISCUSSED MORMON QUESTION

The Home Where One Mother Presides Is the American Ideal

Brigham, Utah, Oct. 7.—Senator Fairbanks put himself on record last night on the Mormon question during his Ogden speech. Hastily referring to the subject, he said: "In the final analysis, the American home is the unit of strength of the republic, the home where presides one mother, and where are gathered about the hearthstone loving hearts filled with love of

the American flag, and with adoration for the instructions of our fathers, which have been committed to our higher and most loyal keeping." The reference brought out a ripple of applause.

Senator Smoot and Kearns are with the Fairbanks party, and talked on Republican policies. There was a brief morning meeting at Farmington, and a noon address at Salt Lake City.

PUSHERS FOR THE FUTURE

Continue Battle for the State Development League Work

The executive committee of the Commercial Club has met with good encouragement in pushing today for new members and additions to the correspondence fund for the ensuing year. The following were secured:

W. T. Rigdon, undertaker \$12.00
T. C. Tillson & Co., prune dealer 6.00
Five new members 15.00
Total \$33.00

The new members are: W. S. Fitts, fish market; John Sholund, merchant tailor; Dr. M. P. Shoettle, osteopath; W. T. Rigdon, W. C. Tillson.

A new line of work has developed in the correspondence feature. Young ladies and gentlemen who are attending educational institutions in the East are being looked up, and made agents for the distribution of literature. The names of Miss Ethel Rigdon and Miss Irma Clarke, who are attending Wesleyan University, at Delaware, Ohio, have been added to the correspondence committee, and the names of other Oregon people who are away, and can speak for our climate and resources will be added and supplied with literature as fast as they come in. The correspondence work will open many new avenues of reaching desirable classes of immigration, and set at work hundreds of persons whose co-operation will be valuable aids to the commercial club.

gress in 1902, that no treaty can be made which may not affect some interest, even if it should conserve the greatest good of the greatest number of people, we favor reciprocal treaties 'when, in the language of the President, 'the minimum of damage done may be disregarded for the sake of the maximum of good accomplished.'"

The Republican state convention nominated the following ticket: Governor John L. Bates; for lieutenant-governor, Curtis Child, Jr.

Attorney-General Moody acted as permanent chairman. The platform endorses Roosevelt and the Chicago platform, and declares for reciprocity.

The Democratic state convention nominated William L. Douglas, for Brockton, for governor; John G. Crosby, of Pittsfield, for lieutenant-governor.

The platform endorsed Parker and Davis, demands tariff reform and reciprocity with Canada.

St. Petersburg, Oct. 7.—A strong party in the admiralty is advocating the sending of the Baltic fleet around Cape Horn. The selection of this route would mean that the fleet could not reach Vladivostok until spring.

Tokio, Oct. 7.—Lieutenant-General Hasegawa, late commander-in-chief of the imperial guards, will leave for Korea today, to assume command of the Japanese forces there. It is probable that the Koreans may be brought under the Japanese command, as it is believed that an offer will be made to expel the bands of Cossacks operating in Northwestern Korea.

St. Petersburg, Oct. 7.—It is officially announced that the Baltic fleet is ready to sail as soon as the battleship Orel and the cruisers Oleg, Zemtchug and Izumrud, which sailed from Kronstadt today, arrive at Revel. The ice-breaker Ermak will accompany the fleet, which will not take the cape route.

The Edison.

The program at the Edison will change entirely this evening, and the large crowds that have attended this week will no doubt continue. The Lucky Harmony Quartet has made a decided hit with their excellent songs, Russell, O'Neill and Russell are clever, Earl and Hampton do good comedy work, and the Wilson sisters sing illustrated songs. The Saturday and Sunday afternoon matinees will prove a great thing for the women and children who cannot attend the evening performances.

INTERESTING FACTS.

For Nearly Every Man, Woman or Child.

A short time ago we published an article recommending to our readers the new discovery for the cure of dyspepsia, called Stuart's Dyspepsia Tablets, and the claims then made regarding the wonderful curative properties of the remedy have been abundantly sustained by the facts. People who were cautious about trying new remedies advertised in the newspapers were finally induced to give Stuart's Dyspepsia Tablets a trial were surprised and delighted at the results. In many cases a single package, costing but 50 cents at any drug store, made a complete cure, and in every instance the most beneficial results were reported. From a hundred or more received we have space to publish only a few of the latest, but assure our readers we have received so many commendatory letters that we shall publish each week a fresh list of genuine, unsolicited testimonials, and never publish the same one twice.

From James Yemmesler, La Cross, Wis.: Stuart's Dyspepsia Tablets are doing me more good than anything I ever tried, and I was so pleased at results that I gave away several boxes to my friends, who have also had the same benefits.

From Jacob Anthony, Potomac, New Jersey: I have taken Stuart's Dyspepsia Tablets with the best results. I had dyspepsia for six years, and had taken a great deal of medicine but the tablets seem to take right a hold, and I feel good. I am a farmer and lime burner, and I heartily recommend to every one who has any trouble with his stomach to use these tablets.

From Mrs. M. K. West, Preston, Minn.: I have received surprisingly good effects from using Stuart's Dyspepsia Tablets. I gave one-half of my last box to a friend who also suffered from indigestion, and she had the same good results.

Mrs. Mrs. Agnes K. Ralston, Cadillac, Mich.: I have been taking Stuart's Dyspepsia Tablets, and I am very much better, and feel very grateful for the great benefit I have received in so short a time.

Stuart's Dyspepsia Tablets are a certain cure for all forms of indigestion. They are not claimed to be a cure-all, but are prepared for stomach trouble only, and physicians and druggists everywhere recommend them to all persons suffering from nervous dyspepsia, sour or acid stomach, heartburn, bloating or wind on stomach and similar disorders.
