With a World of Winter Wearables for Your Selection

WE ARE READY. Means a lot to us. Means a lot to you. Some men say with the Spantard, "tomorrow will do." Meanwhile the other fellows are saying "do it now," and are getting the plums. We refer to the choicest patterns

and fabrics in the new styles, that are very limited in number, and therefore very exclusive and desirable. Worth hurrying after, these

New Fall and Winter Styles in Men's Suits and Overcoats

Just as good as made made-to-measure. No! They are better. They are ready-to-wear. You won't have to apologize for them. That day has gone by where the Salem Woollen Mill Store clothes are concerned. The label guarantees the quality. We won't have to tell you that. You can see it for yourself the moment you slip on a garment. These new suits and overcoats are great. We'll guarantee you more satisfaction and pride in one of these Suits or Overcoats than you ever had before in a ready-made or made-to-measure. Come before the rush is on.

Do it today. The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advise we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.
