### School House Grounds.

Ed. Journal: As we are to have many visitors this coming year during the Lewis and Clark centennial at Portland, would it not be a good idea to have the school house grounds cleaned up, and made presentable? To have nice school houses, and "pictures on the walls," and then leave the grounds looking like a deserted village is poor policy. Woodpiles, brush heaps, broken boards and old tin cans on the play grounds savors of Blackville and Counton methods. What about the public school unions that were formed? What pay do the janitors receive that they cannot afford to look after the grounds? We do not want to be advertised to the world as degenerate in these matters by some sharp visitor who happens to have a sharp eye and a ready pencil in writing to his friends.  
**CLEAN UP.**

### Bunched Cars.

Ed. Journal: In answer to an editorial in one of our papers a few days since in regard to bunched street cars at the bank corner, it seems that this daily eyecore could easily be overcome by having the arrival of cars from the different lines at different times of the hour, so that no two cars would be due there at the same time (except the fair grounds cars which pass at the hotel every 20 minutes). In this way the cars for different points could come in and go out of town without having to wait for any belated cars, or for any parties wishing to transfer. Transfer passengers would have to wait, in most cases 5 or 10 minutes, but it is quite frequent that a person desires a few minutes in town to select a gas range or subscribe for The Journal.

The city would also have a more thrifty appearance to visitors to have a car in sight almost constantly on the downtown streets.

Under the schedule given below, it seems that the car service could be greatly improved, and be more satisfactory to the public and company.

Have cars leave Willamette hotel at 6:00 a. m. for Fair Ground and Cemetery.

6:10 a. m. for Asylum.  
6:15 a. m. for Pen.  
6:30 a. m. for Fair Ground and Cemetery.

6:2 a. m. for Yew Park.  
6:30 a. m. for Asylum.  
6:40 a. m. for Fair Ground and Cemetery.  
6:45 a. m. for Pen.  
6:50 a. m. for Asylum.  
6:55 a. m. for Yew Park.  
7:00 a. m. for Fair Ground and Cemetery.

This is not meant as a demand or dictation to the management of the car company, who have made some most creditable improvements during the short time they have had charge of the car and light system, but it is simply a suggestion.

## AMUSEMENTS.

### HUSKIN' BEE.

This is the evening when the public will be let into the secrets of "The Huskin' Bee." The best of our local talent will portray the 75 characters in the musical comedy, and each one in the cast is apparently just suited for his or her part. Those in charge of this benefit are determined that the audience will get their money's worth. A more varied program of a high-class vaudeville nature would be hard to duplicate. It is hard for people not thoroughly in touch with our home talent to realize that we have so many really clever entertainers living here among us. Never until tonight have we had all the talent of the city together in one evening's entertainment. "The Huskin' Bee," with its wealth of new scenery, pretty costumes, catchy music, attractive girls, sweet singers will certainly prove the banner production of home talent performances. The people of Salem are always ready to assist a worthy cause, and this benefit is certainly due their highest consideration. So let the house be so well filled that there will be standing room only.

Public Library Benefit—Opera House Tuesday Evening, October 18.

## Money to Loan

THOMAS K. FORD. Over Ladd & Bush's Bank, Salem, Or.

The letters of Miss Merkle, whose picture is printed above, and Miss Claussen, prove beyond question that thousands of cases of inflammation of the ovaries and womb are annually cured by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Gradual loss of strength and nerve force told me something was radically wrong with me. I had severe shooting pains through the pelvic organs, cramps and extreme irritation compelled me to seek medical advice. The doctor said that I had ovarian trouble and ulceration, and advised an operation. I strongly objected to this and decided to try Lydia E. Pinkham's Vegetable Compound. I soon found that my judgment was correct, and that all the good things said about this medicine were true, and day by day I felt less pain and increased appetite. The ulceration soon healed, and the other complications disappeared and in eleven weeks I was once more strong and vigorous and perfectly well."

"My heartiest thanks are sent to you for the great good you have done me."—Sincerely yours, Miss MARGARET MERKLEY, 275 Third St., Milwaukee, Wis.

## Miss Claussen Saved from a Surgical Operation.

"DEAR MRS. PINKHAM:—It seems to me that all the endorsements that I have read of the value of Lydia E. Pinkham's Compound do not express one-half of the virtue the great medicine really possesses. I know that it saved my life and I want to give the credit where it belongs. I suffered with ovarian trouble for five years, had three operations and spent hundreds of dollars on doctors and medicines but this did not cure me after all.

"However, what doctors and medicines failed to do, Lydia E. Pinkham's Vegetable Compound did. Twenty bottles restored me to perfect health and I feel sure that had I known of its value before, and let the doctors alone, I would have been spared all the pain and expense that fruitless operations cost me. If the women who are suffering, and the doctors do not help them, will try Lydia E. Pinkham's Vegetable Compound, they will not be disappointed with the results."—Miss CLARA M. CLAUSSEN, 1307 Penn St., Kansas City, Mo.
