## FOOTBALL AT VARSITY CAMPUS IN PROGRESS

### Columbia and Willamette Contest for Honor on the Grid-iron

The Columbia University football team, accompanied by their coach and manager arrived on the 11 o'clock train this morning, and were met at the depot by a large delegation of Willamette students. They are a husky bunch of fellows, and expect to win the game, which is now in progress. Coach Bishop is no less confident that his men will win, and, as the weather and field are all that could be desired, the game will no doubt prove very interesting to the spectators.

The lineup of the two teams are as follows: Columbia—Fullback, Dooley; right halfback, Monks; left halfback, Moore; quarterback, Leston-Smith; center, Meany; right guard, Quinlan; right tackle, McQueeney; left guard, Quinn; left tackle, Scott; left end, Kelley; right end McKenna; subs, Albright, Webster, Bingham, Weber.

Willamette—Lounsbury, fullback; Nace, left half back; Beach and Miller, quarterback; Nelson, center; Marker, right guard; Pollard, right tackle; Medcalf, left guard; Rader, left tackle; Patton, left end; Hinkle, right end; subs, Ford, M. Long, Coleman and Unruh.

Immediately following the big game

the Salem High School eleven will endeavor to repay the Mute School for the way in which they trounced them one week ago. The lineup of the High School team is Rhodes and Moores, ends; Slater and Miller, tackles; Eyer and Rotzen, guards; Niles, center; Moores, quarterback; Taylor and Hughes, Capt. Hughes, halfbacks; and Cross, fullback.

## UNITED STATES SENATOR THURSTON,

The Brilliant Statesman from Nebraska, Makes an Important Public Utterance.

INTERIOR OF THE UNITED STATES SENATE CHAMBER.

Ex-Senator John M. Thurston, of Omaha, Nebraska, is one of the most prominent and influential men in the country. He made the speech nominating President McKinley at the St. Louis convention, and was made permanent Chairman of this convention. He was also made Chairman of the convention that renominated the late President McKinley at Philadelphia. He was appointed by President McKinley to be Chairman of the St. Louis Exposition Commission. This prominent gentleman recently wrote the following letter to The Peruna Medicine Co., of Columbus, Ohio:

Washington, D. C., April 6, 1901.

"I have used Peruna at various times during the past year or two with most satisfactory results.

"It entirely relieved me from an irritating cough—the result of excessive effort in the presidential campaign, and I am a firm believer in its efficacy for any such trouble."—John M. Thurston.

Catarh has already become a national curse. Its ravages extend from ocean to ocean.

More than one-half the people are affected by it. It has become such a serious matter that it has passed the boundaries of the medical profession and become a national question. Senators are talking about it; Congressmen are discussing it.

They are not only considering the extent and chronic nature of the disease, but the possibility of finding a national remedy to meet this national calamity.

The catarh remedy, Peruna, seems to be the main expectation in this direction.

Dr. Hartman, President of The Hartman Sanitarium, devised the remedy, Peruna, over forty years ago, and the remedy as a catarh cure has been growing in favor steadily all these years.

It stands to-day before the nation as a thoroughly tested, accurately scientific

internal remedy for catarh. There are practically no medicinal rivals in the field.

Peruna is not a local application or temporary relief; it is a permanent cure. Peruna is a systemic remedy. It eradicates catarh from the system. It cures catarh wherever located. Its cures are radical and lasting.

Fritz Vollmer, President Schwabischer Sangerbund, Chicago, in a recent letter to The Peruna Medicine Co., says:

"My voice was so badly affected from catarh that I was afraid I would lose it entirely. I read of some of the wonderful things your Peruna would do and thought it advisable to try some myself.

"I am pleased to state that in a very short time I was cured."—Fritz Vollmer.

Address The Peruna Medicine Co., Columbus, O., for a book of testimonials, containing letters from prominent men and women concerning Peruna.

## LIQUID WAS NOT HEALTHY

### Drug Clerk Tasted Poison and Had a Serious Time

Walter G. Miles, the clerk at Fred Legg's drug store, had a narrow escape from death by poisoning this morning. He was opening a shipment of drugs from a wholesale house, and two unlabeled bottles were found in the lot. One contained a highly poisonous disinfectant, while the other was a harmless drug, although both of the same color.

Mr. Miles thought he would taste the liquids, in order to properly label them, and took a small sup out of one of the bottles. It proved to be the wrong one, and he was taken violently ill almost at once.

Mr. Legg administered an antidote, and in a short time Mr. Miles was in his normal condition, although able to taste the noxious poison during the afternoon. He says he is thoroughly fumigated, and firmly believes that he is proof against microbes and other internal insects. At future times he will view unlabeled wholesale bottles with a degree of suspicion.
