HEAVY TEAM VICTORS**COURT STREET OPENED****Writing Pads**

50 to 0 was the score by which Willamette defeated Columbia Saturday in a spirited game of football. The Portlanders put up a plucky, spirited game and stubbornly disputed every inch of ground, but they were completely outclassed and went down to honorable defeat before a superior team. They certainly won the admiration of their opponents by the spirited way in which they played, even after it was apparent that they would be overwhelmingly defeated. Monks, the left back tackle on the visiting team, received the only severe injury of the game. About the middle of the last half he fell in such a way as to dislocate his arm at the shoulder. This was the third time that he has had the same arm dislocated this year.

The home team played fast ball, and unlike the week before, they played together as one man. The field was fast, the weather ideal, and the game spectacular, all of which was very satisfactory to the large crowd. Another nice feature was the utter absence of "rag chewing."

In the evening the young ladies of the University gave a reception to the visitors in the society halls of the University, which was greatly enjoyed by all present. The rooms had been tastefully decorated with the colors of the two schools. Games were played, and punch was served by two of Willamette's fair maidens, and everybody had a good time.

Do You Believe in Signs? A mark, note, token or symptom, indicates that by which anything may be known, that is, we are forewarned if evil is to befall us; or we have the pleasure of anticipation if the signs betoken a fortunate occurrence. Accidental occurrences all have their signs every disease has its symptoms. The point is to heed the former, and counteract the effect of the latter. Spells of sick headache follow indigestion and stomach disorders, belching, biliaryness and dyspepsia are signs of sickness. People that believe in these signs and know that they are true from experience, can get immediate relief and a speedy cure by the use of Dr. Gunn's Improved Liver Pills. Sold by druggists for 25¢ per box. Only one for a dose. For sale by Dr. S. C. Stone, druggist.

Matrimonial Market.

License to marry was granted Saturday to Harry Goulding and Miss Alice J. Hinkle and Eddie Moore and Miss Stella Goode.

Mr. Moore and Miss Goode were married yesterday afternoon at the parsonage of the Leslie M. E. church, Rev. W. S. Gordon performing the ceremony.

At last Court street between 15th and 16th streets is open. The old fences have been taken down, and men are at work grubbing out the trees. Now sidewalks will be ordered built, and the thoroughfare will be ready for pedestrians. The street may not be gravelled before spring, but it is gratifying to know that, after a score of years the people of that section have been able to get that thoroughfare opened. This will make of Court street the main driveway east and west in the city.

Why Appendicitis?

Why is appendicitis so common today?

Because we have got into the pernicious habit of eating too fast.

Dr. Curtis, the great authority on this disease, says: "Appendicitis often follows the eating of a very hastily, or particularly large or indigestible meal."

After carelessly following a foolish custom you can insure your safety by taking Stuart's Dyspepsia Tablets.

It is an accepted scientific truth, which admits of no dispute, that if you will only keep your digestive apparatus in good order, you will never suffer from this dread disease, which, at best, means a weakening operation, with long weeks wasted in bed, and big doctor's and surgeons bills to pay as souvenirs.

Keep your appendix in health by the proper use of Stuart's Dyspepsia Tablets, whenever you have laid yourself open to danger by overeating, and upon the least sign of stomach or intestinal trouble, for otherwise, at any time, this dangerous disease may lay you low.

The curative influence of this great medicine is quickly shown in the gentle, soothing effect it has on all inflamed conditions of any part of the digestive tract.

Stuart's Dyspepsia Tablets tone all these parts up to a proper condition of perfect health, and regulate their functions into a proper working state.

They also make away with all the causes of irritation, inflammation or indigestion by helping to dissolve, digest and assimilate, or put to proper use, all the food which is lying around in odd corners of your digestive apparatus, fermenting, rotting and curdling like so much garbage in a dirty sink.

In these natural and perfectly simple ways, Stuart's Dyspepsia Tablets restore all sufferers from any form of dyspepsia trouble to health.

They are safe and reliable. They never fail to relieve and cure, quickly and permanently.

Use them, and you need never worry about your appendix vermiciformis.

Home from Newport.

Mr. and Mrs. A. L. Brown and daughter, Miss Blanche, Mr. and Mrs. D. C. Minto returned Saturday from their three weeks' outing at Newport.

They spent a very pleasant time, and were unusually successful in trolling for fish. The day before they returned

they caught 112 trout in less than three hours.

Little mountains of them, from Eastern mills and from Western mills, more than we have ever brought together before. Our famous

Patton's Book Store.**NATURE TELLS YOU.**

As Many a Salem Reader Knows Today.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills.

Hundreds of people testify to this. Mrs. Wm. Rainwater, wife of Wm. Rainwater, employed in Veal's chair factory, residing at 903 East First street, Albany, says: "My kidneys troubled me off and on for eight years. Every time I contracted a cold it settled in my kidneys, causing my back to ache often so badly that I could hardly get about to attend to my household duties. Accompanying this was a very annoying and distressing difficulty with the kidney secretions. I was treated by physicians and took a number of highly recommended remedies, but the relief I obtained was only temporary, and I was about discouraged. Finally I read an advertisement about Doan's Kidney Pills, and got a box and began their use. I expected some relief, of course, but, to my surprise, they went quickly to the root of the disease, and I had no more trouble, until recently I felt symptoms of a recurrence. Doan's Kidney Pills are the best kidney medicine I ever used, and I have recommended them to neighbors."

Plenty more proof like this from Salem people. Call at Dr. Stone's drug store, and ask what his customers report.

For sale by all dealers. Price 50 cents. Foster-Millburn & Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Rounded Up Hoboes.

Special Policeman James Penland, of the seventh ward, last night arrested eight hoboes in New Park. They were camped on the property of Mr. Rogers, and made free use of potatoes and other edibles owned by that gentleman, and other residents of that district.

They were confined in the city jail over night, and released this morning by Recorder Judah on their promise to get out of town. This is the second raid that the officer has made in New Park, and the travelers will probably take the hint and keep away from that section of the city. The next bunch that is captured will be given a chance to do time on the streets.
