ANSWER COUNTRY'S SUMMONS

In answer to the call from Japan for troops, several of the local Japanese are preparing to leave for their native land, and Salem will lose several section men and flax cultivators. The information was received from a Jap boy about 19 years of age, who was mourning because he was not old enough to join the army. From his broken English, at least, that seemed to be the cause, he used the 19 several times and also mentioned 21, and it was understood by the reporter that one must be 21 years of age before enlisting in that army. It has been suggested that perhaps he went broke playing "21," standing on 19. At any rate he had these two mystic numbers pretty well tangled in his mind. But he appears to be patriotic.

Conference Begins Tonight.

Some Spuds.
 North West Clark, the state house janitor, dug his potatoes yesterday, and he brought in a few samples about a foot long. They were planted on the Morningside hills June 18th, and are very smooth, of the Burbank variety. Clark is a believer in the great value of the hill land, and proves his faith by his works.
