## That Gold Spoon.

There are some men who seem to be favorites of fortune. They are industrious, cheerful workers, full of overflowing energy of splendid health, and success seems fairly to drop into their hands. It is of such as these that the less hardy and less successful man says enviously, "That fellow was born with a gold spoon in his mouth."

And yet on analysis it will be found that this success is largely due to a splendid health, the endowment of a healthy mother.

Dr. Pierce's Favorite Prescription gives the mother health to give her child. It cures nervousness, nausea and sleeplessness. It makes the body comfortable and the mind content. It gives physical vigor and muscular elasticity so that the baby's advent is practically painless. "I will endeavor to tell you of the many benefits I have derived from taking Dr. Pierce's Favorite Prescription," writes Mrs. H. E. Robertson, of Medicine Lodge, Barber Co., Kan. "In the fall of 1897 I was expecting to become a mother and suffered terribly with pains in the back of head; in fact I ached all over. Suffered with awful bearing-down pains; I was threatened for weeks with miscarriage. A lady friend told me to use Dr. Pierce's medicine. She had taken them and felt like a new woman. I began using the 'Favorite Prescription' and took four bottles before my baby came and two afterwards. I suffered almost death with my other two children, but hardly realized that I was sick when this baby was born and she weighed twelve and one-quarter pounds. She is now eleven months old and has never known an hour's sickness; at present she weighs thirty-seven pounds. I owe it all to Dr. Pierce's Favorite Prescription."

"Favorite Prescription" makes weak women strong, and sick women well. Accept no substitute for the medicine which works wonders for weak women. Dr. Pierce's Pleasant Pellets are the most desirable laxative for delicate women.

Valley lodge No. 18, A. O. U. W.—Meets in their hall in Holman block, corner State and Liberty, every Monday evening. Visiting brethren welcome. Emil Donaldson, M. W. A. E. Aufrance Recorder.

## GRAND STAND GOAT

Sam Castro, the race horse man at the fair grounds, has a pet billy goat that attracts the attention of the visitors to the track. The goat is a large, fully developed "butter," but, despite its size and formidable appearance, he has not learned the art of bumping, in other words is a pretty respectable sort of an animal.

Billy, true to the instincts of the goat family, and having fond longings for the rugged peaks and lofty crags traversed by his ancestors, conceived the idea that he would take the world as it was and not pine away mourning for such things as nature and his master had not provided mountains and canyons within the fair grounds enclosure. Billy spotted the grand stand early in his goat career, and it struck his eye very forcibly as a substitute.

Up the steps to the upper seat the kid goat would amble, and ran his head through the small windows along the top side. Sam watched him a short time, and, from the antics of the diminutive pet, he was afraid that he would leap to the ground, some 40 feet below, and be dashed to death. He liked Billy, and therefore went to his rescue. In careful arms the kid was packed down to solid earth, and his boss felt relieved. Billy would not stay down, Sam was determined that he would save the goat from death, and the result was that Sam made several trips with his pet under his arm. He tired of the monkey business after a while, and made up his mind to let Billy do or die.

The goat was wiser than was reckoned, and after days of persistent pleading to be carried down, for he seemed to enjoy the fun, he settled down to a regular mountain climbing goat, using the grandstand as his Alps. There is hardly a spot in the place that Billy has not roamed, unless it is the roof, and he is reaching a good, healthy size.

### NATURE TELLS YOU.

As Many a Salem Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills.

Hundreds of people testify to this. Mrs. Wm. Rainwater, wife of Wm. Rainwater, employed in Veal's chair factory, residing at 903 East First street, Albany, says: "My kidneys troubled me off and on for eight years. Every time I contracted a cold it settled in my kidneys, causing my back to ache often so badly that I could hardly get about to attend to my household duties. Accompanying this was a very annoying and distressing difficulty with the kidney secretions. I was treated by physicians and took a number of highly recommended remedies, but the relief I obtained was only temporary, and I was about discouraged. Finally I read an advertisement about Doan's Kidney Pills, and got a box and began their use. I expected some relief, of course, but, to my surprise, they went quickly to the root of the disease, and I had no more trouble, until recently I felt symptoms of a recurrence. Doan's Kidney Pills are the best kidney medicine I ever used, and I have recommended them to neighbors."

Plenty more proof like this from Salem people. Call at Dr. Stone's drug store, and ask what his customers report. For sale by all dealers. Price 50 cents. Foster-Milburn & Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
